CARDINAL
GIBBONS
HIGH SCHOOL

**2019-2020 ACADEMIC YEAR**

**ROMAN CATHOLIC PARISH AFFILIATION FORM**

The tuition rate for Catholic students at Cardinal Gibbons High School is substantially lower than that of non-affiliated students. This is because each parish makes a contribution annually to Cardinal Gibbons that enables the school to offer a lower tuition rate. Without this form, signed by your pastor or pastoral administrator, your family will be classified as a non-participating parishioner and charged the non-affiliated tuition rate. **Your status as a participating parishioner will be verified annually with your parish pastor.**

Families relocating to the Raleigh area must submit the parish affiliation form or a letter by their current pastor to be eligible for the participating parishioner rate. The Catholic transfer status will be valid for a six-month period after the start of school. After that time, a new parish affiliation form must be submitted and signed by a local pastor.

It is expected that families who seek admission to Cardinal Gibbons High School as Catholics must meet the following criteria that have been agreed upon by all the pastors of the Raleigh Deanery:

(1) the family is registered in a parish.

(2) the Catholic parent(s), and especially the student seeking approval on this form, attend Sunday Mass weekly and practice stewardship of time, talent and treasure, the latter as evidenced by identifiable financial support.
