Online Free and Reduced Applications for Iredell Statesville Schools

Now you can apply on-line for your children to receive free or reduced price school meals. Your application will be sent from a secure web site directly to Iredell Statesville School Nutrition, so you don't need to worry about filling out a paper form that could be lost or misplaced.

www.LunchApplication.com has been designed to make it easy for you to know exactly what information you need to provide and to guide you through the process. Once your application has been submitted, you will receive a confirmation email, the district office will determine your eligibility, and you will receive a letter with the results.

www.LunchApplication.com is an easy, secure and convenient way to apply for free or reduced meals. You can access the website directory or by the link posted on the Iredell Statesville Schools website on **July 15, 2019**. It can be found under Departments, click School Nutrition, and select the **LunchApplication.com** website.

If you do not have access to the internet, you can pick up an application at the School Cafeteria where your student attends school after **August 5, 2019**. You can also fill out an application online in the School Office, Cafeteria or School Nutrition Office.

If you have already received a letter telling you that your child was pre-approved for meal benefits for the 2019-2020 school year, you do not need to reapply. Please make sure all of the school aged children living in your household are listed on the approval letter. If not, please contact Joan Newland at 704-873-2175.

To apply, simply go to www.LunchApplication.com and Click Apply Now.
