3-on-3 Basketball League

6th–12th graders

A BASKETBALL LEAGUE WITH ROOM TO GROW

Want to increase your basketball skills and compete against your friends in a fun but competitive league? Sign up for our **3-on-3 Basketball League** at the YMCA.

The 3-on-3 format helps you **gain skills faster** since each player gets more touches on the ball, gives you **more space to try new moves** and practice new skills, and gives you **more chances to learn footwork** as you cover more distance with fewer players.

All teams will play **10 games** during a **4–week period.**

REGISTRATION:

$60 per person (at least 5 players per team)
Players can form their own team or join a free agent team
