Decision Guide for Young Fives/Kindergarten Screening

Will your child turn 5 between June 15th and December 1st?

No → If your child is or will be 5 before June 15th – He/She can only be placed in kindergarten.

If your child will turn 5 after December 1st, he/she is not eligible for Young Fives or kindergarten. Please look into preschool options.

Yes → *Does/did your child attend Wyandotte Early Childhood Center's preschool program?*

Yes → ECC children will not be screened as they have more comprehensive readiness assessments they do with their students. Placement recommendation will be made by your child's teacher, shared with you, and passed on to the entering elementary school. If you have concerns about the recommendation, please talk with your child's preschool teacher or the ECC director.

Note: GSRP preschool is a grant funded kindergarten readiness program and students in GSRP are expected to enter regular kindergarten.

No → *Is your child's birthdate September 1 – December 1?*

Yes → Your child's age makes him/her a great candidate for our Young Fives program. If you desire a Young Fives placement, please register for Young Fives. Screening is not necessary.

If you desire a Kindergarten placement or are not sure, please fill out the screening form to schedule an appointment.

No → *Is your child's birthdate June 15 – August 31?*

Yes → Your child's age makes him/her eligible for either Kindergarten or Young Fives.

Please fill out the screening form to schedule an appointment.
