February 24, 2021

Dear Families & Staff:

Today, February 24th we are reporting three positive cases of COVID-19, one each at the following schools: West Vine Street School, Stonington Middle School, and Deans Mill School. In all three cases, the individuals were already quarantining and/or no close contacts were identified.

As a reminder, anyone who is deemed a close contact of a positive case of COVID-19 is required to quarantine. ***For information about quarantining and school health practices related to COVID-19, please visit the special red banner section located at the top of the homepage of our website at*** https://www.stoningtonschools.org/***.***

Please remember to complete a self-assessment of COVID-19 related symptoms each morning prior to reporting to school. We appreciate your cooperation as we continue to strive to keep our schools open and safe.

Sincerely,

Dr. Van Riley, Superintendent
