Colors: Blue and Gold

Welcome to Maywood Hills Elementary School, home of the Tigers. We take great pride in our diverse student body, dedicated staff and supportive community.

Maywood Hills is a vibrant learning community that recognizes and nurtures the academic and creative potential of every child. We have an unfailing belief that all children can meet or exceed yearly standards and goals and be well prepared for academic challenges ahead.

Our hard working, experienced staff is dedicated to continuous professional growth, embracing a learning community model that allows teachers to learn from each other and that provides time where grade-level teachers can strategize, assess student work and learn together—all in the service of children.

We look forward to new challenges and opportunities as we prepare our young citizens for the exciting, complex and ever-changing world. Please stop by and share your time and talents. Together we continue to make Maywood Hills an exceptional place of learning.

Sonja Hoeft, Principal

Mission Statement: *Our mission is to create a joyful, inclusive community of responsible, high-level learners.*

School Improvement Plan

Maywood Hills staff is highly committed to a rigorous program of continuous improvement. We participate in training, collaboration and reflection necessary to align our instruction with district curriculum and state standards to enhance student achievement and nurture the successful development of all children. We looked at the development and learning styles of each child while studying assessment results to help us measure student progress and to set targets for learning and instruction.

Our School Improvement Plan involved:

1. Increased knowledge of strategies that improved reading comprehension.
2. Analyzed assessment data to modify instruction and measure learning.
3. Provided staff coaching opportunities.
4. Collaborated and planned across and among grade levels, looking at student learning while setting team goals.
5. Maintained a caring, inclusive and welcoming school culture and climate.
6. Focused on the social-emotional development of children.

In designing or revising our School Improvement Plan (SIP), we engaged in the following steps:

1. Analyzed data (state, district, school, grade level).
2. Identified students' learning needs.
