COMMUNITY RELATIONS

School Facility Use

1. The building and grounds of the Kennewick School District are primarily for public school purposes, which include all activities of the school involved in carrying out its programs. No other use shall be permitted to interfere with the primary purpose for which these buildings and grounds are intended.

2. Public use of school facilities is encouraged. The Superintendent or his designee shall establish rules and regulations for the use of facilities, including rental rates, supervisory requirements, restrictions, security, insurance and etc. These rules should be designed to protect the interest and property of the district and to prevent additional maintenance and operation costs as well as undue damage or wear to the facilities.

3. Authorization for use of school facilities shall not be considered as endorsement of or approval of the activity group, nor for the purpose it represents
