Early Childhood Screening - Screen At Three

SCREEN @ 3

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten, but the best time to screen a child is between 3 and 4 years old. Screening is a brief, simple procedure used to identify potential health or developmental problems. Screening includes vision and hearing, height and weight, immunization review, large and small muscles, thinking, language and communication skills, as well as social and emotional development.

Register online:
https://whitebear.ce.eleyo.com
or 651-653-3100

Early Childhood Screening takes place at:
Normandy Park Education Center
2482 East County Road F East
White Bear Lake, MN 55110

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

Vaccines required for entering kindergarten:
- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

Vaccines required for grades 1-12:
- Hepatitis B - three doses
- DTaP - three doses
- Polio - three doses
- MMR - two doses
- Varicella - two doses

Before entering 7th Grade:
- Tdap - one dose
- Meningococcal - one dose

Before entering 12th Grade:

For more information about immunizations, please contact your school nurse or health office.

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Twitter page, or call the White Bear Lake Area School Closing Hotline number at 651-407-7540.

Transportation

Passengers and drivers must wear a mask on school buses, including on buses operated by public and private school systems, subject to the exclusions and exemptions in CDC's Order.

Busing information will be posted on the students' Parent Portal by August 30, 2021. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

COVID-19 Vaccine

Find COVID-19 vaccine appointments using the Vaccine Finder at www.vaccines.gov. Appointments can be searched by vaccine type (e.g., Pfizer).

School Breakfast/Lunch Program / Application for Educational Benefits

Our school provides healthy meals each day. The U.S. Dept. of Agriculture is allowing schools to provide meals for the 2021-22 school year through a provision of the National School Lunch Program called the Seamless Summer Option (SSO). A waiver has been issued to support access to nutritious meals while minimizing exposure to COVID-19. Our school has chosen to use this waiver and operate the SSO, which enables us to provide meals free of charge for all students.

No application is required to receive this meal benefit. However, you may qualify for additional benefits if you complete an Application for Educational Benefits online or in paper form. The District follows strict non-discrimination rules to protect the anonymity of its students.

To apply, scan the code to the right or go to isd624.org and follow the steps below:

- At the top of the page click on "Our Schools" and select your child's school.
- On the school home page select "Support" in the dark orange bar at the top of the page.
- Select "Free/Reduced Lunch." This will take you directly to the online application.
- Once you are there, create or log in to your account and fill out the application and hit the "submit my application" button.

USDA is an equal opportunity provider.

Community Use of School District Facilities

The Community Services and Recreation Department maintains the school facility reservation schedule. Requests to use school district facilities should be made by emailing facilities@isd624.org (preferred) or through the Facilities Scheduling line at 651-407-7503. Facility details and rental agreement information can be found at isd624.org/CommunityServices.

Scheduling requests should be made at least one week prior to the desired reservation date. If the desired reservation date is less than one week from the activity date, the Community Services staff will make every effort to accommodate requests in a timely fashion.

Preschool Programs

A variety of preschool options are available at various locations in the district for children who are 3 or 4 years old by September 1st. The full day programs located in elementary sites (Hugo, Vadnais, Willow, Birch, Otter, Lakeaires) have access to busing and Extended Day options.

Our preschools are four-star Parent Aware rated and provide developmentally appropriate, play-based education with licensed preschool teachers that get kids excited about learning. In addition, we work to align our Early Childhood program with kindergarten to ensure a more seamless transition. Elements of that alignment include use of the ECIPS (MN state early childhood standards) to guide instruction, Handwriting Without Tears, implementation of the Conscious Discipline framework for social and emotional learning, and the use of limited assessments that allow us to understand student progress.

For more information on the locations, cost, and availability of our programs, please visit the website https://whitebear.ce.eleyo.com/ and click on Preschool or call the Early Childhood office at 651-653-3100.

The program is youth-focused and choice based, giving youth the opportunity to develop strong social skills and positive relationships. Daily program activities include health and fitness, service projects, arts, creative play, language and literacy, science and more.

Extended Day provides programming before and after school, as well as full-day programming on most non-school days and during the summer. The program has daily tuition with flexible scheduling options, including regular and drop-in contracts. Limited financial assistance is available.

Cierre de emergencia por clima

Cuando se toma la decisión de cerrar escuelas, se hará un anuncio en las principales estaciones de radio y televisión lo más temprano posible por la mañana. El anuncio identificará a nuestro distrito escolar como Escuelas del Área de White Bear Lake. También se harán esfuerzos para utilizar el sistema de alerta de notificación a los padres.
para notificar a las familias del cierre de escuelas. Si no se hace ningún anuncio, las escuelas estarán en sesión según lo programado. Los padres también pueden consultar el sitio web del Distrito o la página de Facebook / Twitter, o llamar a la línea directa de cierre de Escuelas del Área de White Bear Lake al 651-407-7540.

Transporte

Los pasajeros y conductores deben usar una mascarilla en los autobuses escolares, incluso en los autobuses operados por sistemas escolares públicos y privados, sujeto a las exclusiones y exenciones de la orden del CDC.

La información sobre el transporte en autobús se publicará en el Portal para padres de los estudiantes antes del 30 de agosto de 2021. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la hora programada para la llegada del autobús. Los estudiantes solo pueden viajar en autobús hacia y desde la escuela en la parada de autobús que se les asigne. Los estudiantes no pueden viajar en otro autobús a eventos como fiestas de cumpleaños, exploraciones u otras actividades. Los horarios de los autobuses son algo flexibles durante la primera semana de clases mientras los conductores se familiarizan con las rutas.

En caso de inclemencias del tiempo, los conductores de autobuses intentarán mantener sus horarios. Sin embargo, si las carreteras están heladas o cubiertas de nieve, los autobuses pueden llegar tarde y los padres y estudiantes deben planear de acuerdo al clima. Los padres deben usar su discreción al enviar a los niños afuera cuando el clima es extremadamente frío.

Para obtener más información sobre el transporte del Distrito, llame a la Oficina de Transporte al 651-407-7538.

Programa de desayuno / almuerzo escolar / Solicitud para beneficios educativos

Nuestra escuela ofrece comidas saludables todos los días. El Departamento de Agricultura de los EE. UU. está permitiendo que las escuelas proporcionen comidas para el año escolar 2021-22 a través de una disposición del Programa Nacional de Almuerzos Escolares llamado Seamless Summer Option (SSO). Se ha emitido una exención para apoyar el acceso a comidas nutritivas mientras se minimiza la exposición al COVID-19. Nuestra escuela ha optado por utilizar esta exención y operar el SSO, lo que nos permite proporcionar comidas sin costo para todos los estudiantes.

No se requiere una solicitud para recibir este beneficio de alimentos. Sin embargo, puede calificar para beneficios adicionales si completa una Solicitud de Beneficios Educativos en línea o en papel. El Distrito sigue reglas estrictas de no discriminación para proteger el anonimato de sus estudiantes.

Para aplicar, escanee el código o vaya a isd624.org y siga los pasos:

- En la parte superior de la página, haga clic en "Our Schools" "Nuestras escuelas" y seleccione la escuela de su hijo.
- En la página de inicio de la escuela, seleccione "Support" "Soporte" en la barra naranja oscura en la parte superior de la página.
- Seleccione"Free/Reduced Lunch." "Almuerzo gratis / reducido". Esto lo llevará directamente a la solicitud en línea.
- Una vez que esté allí, cree o inicie sesión en su cuenta y complete la solicitud y presione el botón "submit my application" "enviar mi solicitud".

Uso comunitario de las instalaciones del distrito escolar

El Departamento de Recreación y Servicios Comunitarios mantiene el horario de reserva de las instalaciones escolares. Las solicitudes para usar las instalaciones del distrito escolar deben enviarse por correo electrónico a Facilities@isd624.org (preferiblemente) o, a través de la línea de programación de instalaciones al 651-407-7503. Los detalles de las instalaciones y la información del contrato de alquiler se pueden encontrar en isd624.org/CommunityServices.

Las solicitudes de programación deben realizarse al menos una semana antes de la fecha de reserva deseada. Si la fecha de reserva deseada es menos de una semana a partir de la fecha de la actividad, el personal de Servicios Comunitarios hará todo lo posible para atender las solicitudes de manera oportuna.

Programas preescolares

Hay una variedad de opciones preescolares disponibles en varios lugares del distrito para niños que tienen 3 o 4 años de edad antes del 10 de septiembre. Los programas de día completo ubicados en sitios de primaria (Hugo, Vadnais, Willow, Birch, Otter, Lakeaires) tienen acceso a opciones de transporte en autobús y de día extendido.

Nuestras escuelas preescolares tienen una calificación de Parent Aware de cuatro estrellas y brindan educación apropiada para el desarrollo basada en el juego, con maestros preescolares licenciados que entusiasman a los niños con el aprendizaje. Además, trabajamos para alinear nuestro Programa de la Primera Infancia con el Kínder para garantizar una transición más fluida. Los elementos de esa alineación incluyen el uso de ECIPS (estándares de la primera infancia del estado de MN) para guiar la instrucción, Escritura a mano sin lágrimas, implementación del Marco de disciplina consciente

para el aprendizaje social y emocional, y el uso de evaluaciones limitadas que nos permiten comprender el progreso del estudiante.

Para obtener más información sobre las ubicaciones, el costo y la disponibilidad de nuestros programas, visite el sitio web https: //whitebear.ce.eleyo. com / y haga clic en Preschool o llame a la oficina de Early Childhood al 651-653-3100.

Screening

It is the expectation of the White Bear Lake Area School District that families, students and staff will self-screen at home before coming to school.

As public health guidelines change, the District will adjust plans accordingly.

Stay Home When Sick

If a student is sick, or has an infected person in their household, please stay at home. If a student becomes ill while at school, the student will be isolated, and parents will be required to pick up the student in an immediate manner.

Parents are asked to notify the school if a student has symptoms associated with COVID-19 or has been in close contact with someone who has been diagnosed with, or is showing symptoms of COVID-19. Close contact is defined as being 6 feet or less for more than 15 minutes.

By acting quickly, we can also determine if other close contacts need to be quarantined and if deep cleaning may be required for any schools or buses. If quarantined, it is imperative that students DO NOT enter ANY WBLAS property/ facility until they are cleared. Students returning to school must be fever free for 24 hours without the use of medication.

The Minnesota Department of Health may be notified if the district becomes aware that a student has tested positive, and may include those individuals in "close contact" to assist the MDH in their contact tracing efforts.

Anyone experiencing **ANY** of these symptoms should **NOT** attend school

Cualquiera que experimente **CUALQUIERA** de estos síntomas **NO** debe asistir a la escuela

Symptoms

- ✔ New onset of cough / Nueva aparición de tos
- ✔ Shortness of breath / Dificultad para respirar
- ✔ Fever of 100.0 degrees or higher / Fiebre de 100 grados o más
- ✔ Loss of sense of smell or taste / Pérdida del sentido del olfato o del gusto
- ✔ New or unusual headache / Dolor de cabeza nuevo o inusual
- ✔ Severe muscle aches / Dolores muscular severos
- ✔ Chills / Escalofríos
- ✔ Gastrointestinal symptoms of diarrhea, vomiting, or nausea / Síntomas gastrointestinales de diarrea, vómitos o náuseas

Realizar pruebas

El Distrito de White Bear Lake Area Schools espera que las familias, los estudiantes y el personal autoevalúen su estado de salud en sus casas antes de venir a la escuela.

A medida que las directrices de salud pública cambien, el Distrito ajustará los planes en consecuencia.

Quedarse en casa cuando esté enfermo

Si un estudiante está enfermo, o tiene una persona infectada en su casa, por favor quédese en su casa. Si un estudiante se enferma mientras está en la escuela, dicho estudiante se aislará y se solicitará a los padres que pasen a recogerlo inmediatamente.

Se solicita a los padres que notifiquen a la escuela si un estudiante tiene síntomas asociados con la COVID-19 o ha estado en contacto cercano con alguien que haya sido diagnosticado o que presente síntomas de COVID-19. El contacto cercano se define como estar a una distancia de 6 pies o menos durante más de 15 minutos sin usar una mascarilla.

Actuando rápidamente, podemos también determinar si otros contactos cercanos necesitan ser puestos en cuarentena y si se requiere una limpieza profunda para cualquier escuela o autobús. Si están en cuarentena, es fundamental que los estudiantes NO entren en NINGÚN edificio o instalación de WBLAS hasta que sean dados de alta. Los estudiantes que regresen a clases deben estar sin fiebre por al menos 3 días.

El Departamento de Salud de Minnesota puede ser notificado si el distrito se entera de que un estudiante ha dado positivo, y puede incluir a aquellas personas en "contacto cercano" para ayudar al MDH en sus esfuerzos de rastreo de contactos.

Equity Commitment

To nurture the whole student, we disrupt systemic inequities by recognizing, honoring, and embracing all cultures with humility and respect.

4-Way Equity Decision Making Protocol:

» How does this help to provide opportunities to students who have been marginalized within the system in the past?
» How does this help to ensure equitable access for all?
» How does this help to eliminate barriers based on race/ethnicity, gender, disability, age, or other protected groups?
» How does this ensure that the same rigorous standards for academic performance exist for all students?

Mission

The mission of the White Bear Lake Area School District, the community at the forefront of educational excellence, honoring our legacy and courageously building the future, is to ensure each student realizes their unique talents and abilities, and makes meaningful contributions with local and global impact through a vital system distinguished by:

» Students who design and create their own future
» A culture that respects diverse people and ideas
» Safe, nurturing and inspiring experiences
» Exceptional staff and families committed to student success
» Abundant and engaged community partners
