Runners Sparked By Return of Behm

Fresh from their strong performance at the Pattonville Invitational meet two weeks ago, the cross-country team went into the Hancock Invitational at Jefferson Barracks Park last weekend with great promise. Overall, the team finished in the top half of the competition, which Mr. Goeke feels was just as strong as the fifth place finish in the Pattonville meet, because of the greater number of teams at Hancock.

Freshmen Mike McGlynn paced the varsity with an 18:12 finish; freshman Kevin Williams, sophomores Chris Woodward, Chris Schocklee, and Bill Hunker, and seniors Paul Alvord and Joe Kardos also all turned in strong efforts for the varsity, despite the hazardous wet course.

In the junior varsity race phenomenal junior Rob Behm began his long-awaited comeback by finishing third in his race. Despite an injury which kept him out until four days before the meet, and a very slick course, Behm finished the race in 18:10, a faster time than any Jr. Bill varsity runner at the meet. Rob will move up to the varsity for the next meet, the Parkway West invitational at Maryville College. Behm, who said he hopes to run better than a 16:30 race by the end of the season, adds to an already strong Jr. Bill team.

Polobills Lose In Heartbreaker

The varsity waterpolo team, having defeated Parkway North last Friday, entered the Suburban Tournament with great expectations, only to see their hopes and three-game winwinning streak end in the first round.

In the Parkway North game, the Vikings played tough for a quarter, but were unable to keep up with the Bills' potent offense in the remaining three periods. In the first quarter the Bills gained a 5-3 advantage but excellent defense, along with hattricks by both Paul Lemp and Glennon Fogarty, quickly put the game out of reach during the second period. John Oliver and Kurt Heumann each added two goals as the Bills dominated the Vikings 11-4.

The squad entered the Suburban Tourney with thoughts of upset and reaching the finals, only to be eliminated in the first round. A slow start, in which the 2nd ranked Lindbergh Flyers took a 5-1 lead, proved to be the deciding factor in the Bills' defeat. In the next three periods the aquajocks outscored the Flyers 9-6. Junior Bill Hamilton led the comeback with five goals while Lemp and Heumann each added two. The comeback came up just short, however, as the Bills lost a heartbreaker, 11-10.

Today the team faces Parkway Central in the semi-finals of the consolation bracket at 4:00 at Berkeley. If the squad is victorious, it will face Principia at 5:00 Saturday in the finals of the consolation bracket.

CHAPEL CONTINUED

which the altar will rest has not yet come, but is due within the month. This platform will have three sections to give mobility to the altar. For more formal settings, the platform can be placed in front of the marble altar; for less formal occasions, the platform can be placed on the west side of the chapel where the student Masses used to be celebrated. The final problem is in the laying of the carpet, which should be finished in a week. We can expect to be celebrating Mass in the new Chapel within a month.

AIR JAM CONTINUED

Neal and Mike Pierle. The top four bands, Go-Go's, Otis Day and the Knights, the Rolling Stones, and The Time, will be judged by faculty members today to determine the winner, but members of all 13 groups have already been awarded their own KSHE-95 bumper stickers for their efforts. SLUH rock fans can show their appreciation to concert creator Matt DeGreeff and the rest of those involved by being there when Air Jam '84 blows the lid off the gym.

OPERATOR ANSWERS CALL

Congratulations to Barbara Davenport, SLUH switchboard operator, who was robed and licensed as a missionary in the Apostolic Spiritual Church.

Becoming a missionary is an important step for an Apostolic, and being robed is considered a special call from God. Since Sunday, Mrs. Davenport has been on "cloud nine" and is eager to begin her apostolic mission. ---Bauer
