Community Service Goal
Information & Log

Students may receive a total of five (5) points by the end of the 3rd marking period for community service. In order to receive five points, a student must accumulate 15 hours of community service. Signatures are required to verify your participation as well as a parent signature.

Community service is helpful work you do for members of your community or the community at large.

- You should NOT be paid for this work.
- You must do the work under the supervision of, or with the approval, an adult. That adult should sign your form when you finish.
- Work done with a scout troop, church group, or other organization may count.

EXAMPLES:

- Rake leaves for an elderly neighbor.
- Clean up a local park.
- Help at a local soup kitchen.
- Baby sit (unpaid) at your church so adults can attend a service or meeting.

MAKE CERTAIN your parents know what you are planning to do BEFORE you do it.

You may work on this goal all during the first three card marking periods.
