BUDGET MESSAGE

The proposed 2021-2022 General Fund Budget is $34,457,650 an increase of $1,271,774.

The revenue sources for the proposed 2021-2022 Budget are as follows:

Local (7)	$12,886,620
County (8)	$3,766,871
State (9)	$12,782,159
General Fund Balance/other sources	$5,022,000
	$ 34,457,650

The District's estimated assessed valuation for Carbon County is $411,982,948 and the estimated Sweetwater County assessed valuation is $41,281,835 for a total of $453,264,783 (values not certified). This is an estimated decrease of $69,473,749. This is an 13% decrease in assessed value, compared to an 13% decrease last year.

When the Construction Bond was passed in 2011 our assessed value was $930,128,120 this is $476,863,337 more than our estimated assessed value now. This budget is increasing the bond redemption levy for our bond debt to 4.7 mills from 3.8 mills. The reserve currently has approximately half a year's payment in it. As the values are certified and our funding calculation reports are finalized this may change slightly.

The 2021 Wyoming Legislative session resulted in little change to the School Foundation Program. There will be challenges ahead due to the current economic conditions. This budget is designed to be prepared for those challenges while providing the resources to educate the students of Carbon County School District #1.

The District is forecasting a stable enrollment for 2021-2022. Our Average Daily Membership of students that drives our funding model was down 42 students from 2019-2020 to 2020-2021. The three-year average that is used for funding was down.

The District along with CCHEC are developing plans to increase the number of teachers in the District that are certified to teach AP and concurrent enrollment classes.

The Board and District staff continue to look for efficiencies to better serve the students of the District. There will be ongoing discussions on how to provide the student resources needed while also maintaining our current facilities and offerings provided by the District. The aquatics center which is open to the public continues to lose money. The District contributions as well as donations from the REC Board allow the Aquatic Center to have a positive cash flow.
