SAN DOMENICO SCHOOL

K-8 FACTS AT A GLANCE

Founded in 1850, San Domenico holds the unique distinction of being certified as California's oldest independent school.

Our expansive 515-acre campus serves a truly global student community. As Marin County's only K-12 school—with boarding and day options in the high school—our unique program attracts students from throughout the San Francisco Bay Area and beyond, with 25 countries represented among our student body.

Every day, you will be inspired by faculty and staff who believe that what you do with your education is as important as your academic performance. You will be encouraged to reflect on your learning, find your purpose, and celebrate in community. Our 172-year-old philosophy is anchored in the belief that an exceptional education, where values and academics join together, creates more than just great students, it creates great people.
