

Student Senate

Contact: Kura Yamada (VP)

Student Senate is the representative body for the students of MSSM. We work closely with students and adults in the community to improve residential and academic life at school. We hold fundraisers, discuss administrative policies, host activities, and work to make sure student concerns are heard and addressed. Everyone is encouraged to come to our weekly meetings to listen and take part in discussion, and this fall all students will have the opportunity to run for 7 available positions to become a voting member. Come to our meetings and see what it is that we do!

Theatre Club

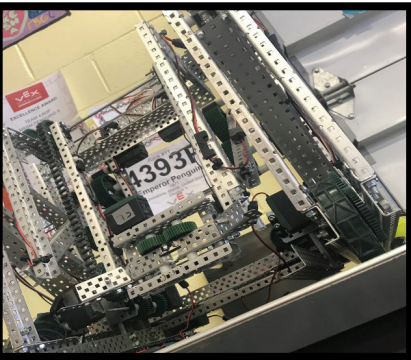

Contact: Julia Malcolm (President)

Theatre Club is for those who seek to embrace their inner creativity through drama. This includes acting, working lights, being part of tech, and so much more! This year, our goal is to participate in the One-Act festival, where we will stun the judges with our MSSM charm! At practices, we will do improvisation games and exercises, monologue workshops, and acting out short skits to develop and perfect our skills. If you have more of a tech/costume/makeup preference, we will also have several opportunities to train new or existing members. The meeting time(s) will be determined during the school year depending on which times work for best members. We hope we'll see you there!

VEX Robotics

Contact: Justin Davis or Rudy Ye

In VEX robotics student build robots to compete in the yearly VEX season. Each year has a new challenge that every team must compete in.

MSSM Organizations **

Admission Ambassador

Contact: Mr. Whittemore (Dean of Enrollment)

Assists the Office of Admission in a variety of ways such as Open House planning, tours, phone-a-thons, and more.

ASL Club

Contact: Margaret Dow (President) or Alana McDaniel (VP)

ASL club will consist of learning signs and basic grammar by playing games and translating songs. There will be some class like teaching with units, however, members of the club with have a lot of control over what will be taught.

Astronomy Club

Contact: Milica Samardzic (President)

Discusses astronomical topics and make observations of planets and stars outside.

Chess Club

Contact: Jordan Theriault (President)

We play chess, as the name says. We also compete against other teams in the county, but this is optional. It doesn't matter if you're the best in the world or have yet to learn, all are welcome.

Cooking Club

Contact: Amanda Chen or Anna Foo (Co-Presidents)

We meet about twice a month on a weekend to cook a meal led by an officer or an interested club member. Examples of past meals are pizza, fried rice, pancake art, falafels and chili. We even held a cupcake war last year. Join if you enjoy or would like to learn how to cook with a bunch of friends!

Drone Club (New!)

Contact: Mr. McDonald (Advisor)

We will build drones and explore various challenges such as obstacle courses, lifting weights, AI move-ment, but we are not a racing club.

Gardening Club (New!)

Contact: Emerson (President)

We garden. Primarily in the greenhouse, because January. Meets every two weeks or so, discussing different ways to grow plants and other garden-ing-related topics.

Karate Club

Contact: Annie Giroux (President)

Karate Club meets for an hour every week to practice and learn martial arts. All skill levels are welcome!

Key Club

Contact: Amanda Chen (President)

Key Club is an international, student-led organization that provides its members with opportunities to provide service, build character and devel-op leadership. The club meets weekly on Thursday and provides volunteer opportunities to its members. Examples of volunteering: Blood Drives, Trail Cleaning, Tutoring, Homeless Shelter, etc...

LOTRO Club (New!)

Contact: Dr. Brigman (Advisor)

Monthly game event playing the Lord of the Rings Online mmorpg.

Machine Learning Club

Contact: Jack Kang (President)

We teach powerful computers how to do cool stuff. Join us today!

Magic the Gathering Club

Contact: George Johnson (PR)

Our club meets to play various MTG games and events. We hold monthly drafts, intermittent commander games, and we organize trips to all pre-releases. If you haven't played Magic before, it is a really fun strategy card game, and we would be more than happy to teach you.

Mu Alpha Theta

Contact: Jordan Theriault (President)

The members give short (anywhere from 5 minutes to 1 hour) presentations over cool topics in math roughly once a week. Some examples may include the Mandelbrot Set or the Riemann Hypothesis. It is not necessary to give a presentation if you are a member, but all that is required is attending with an open mind.

Photo Club

Contact: Victoria Eichorn (President)

Photo Club is for any level photographer who enjoys taking pictures and sharing them with their peers. A camera is not required, some members take photos on their phones. Our club focuses on enjoying the art of pho-tography by sharing photos with others who appreciate the skill.

Prom Committee

Contact: Mari Witmer (VP)

Organizes and fundraises for prom

Rocketry Club

Contact: Kura Yamada (President)

The Rocketry club is open to everyone who has an interest in building and launching model rockets. We host several events throughout the year with the largest being a launch of the ten foot Sparrow after graduation.

RPG

Contact: Sawyer Lachance (President)

We play role-playing games, which involve playing out fantastic stories us-ing dice and theater of the mind. Games can range from the heroic fantasy of Dungeons and Dragons to the gritty cyber-punk of Shadowrun to the wacky anime hijinks of Maid.

Seaperch Underwater Robotics

Contact: Justin Davis (President)

We build and compete with underwater ROVs. They are made out of pvc and use electric motors to power them. This past year one of our teams qualified for the national competition.

Spanish Club

Contact: Ashlynn White (President)

Spanish Club welcomes all to enjoy the language and culture with oth-er members, no matter the amount of skill one has. In the coming year, our club plans to host fundraisers for charities supporting those in span-ish-speaking countries. Aside from larger events, our club also hopes to start a Spanish table in which members can immerse themselves into the language and learn from one another.
