Safe Return to In-Person Instruction

Edison Township Public Schools will resume in-person instruction in September. When thinking about the year of the school year, please indicate which of the following you feel are important for the health and safety of all students and staff (check all that apply)
2,446 responses

I feel my child(ren)/students have experienced significant academic challenges due to the pandemic.
2,446 responses

I feel my child(ren)/students have experienced social emotional and mental health challenges during the pandemic.
2,446 responses

As we prepare for the next school year what are the most important academic, social emotional, and/or mental health supports for schools to provide to some of students (i.e. general education students, students with disabilities, English language learners, and others)? Check all that apply.
2,446 responses

Federal funding should be used to support the following (check all that apply)
2,446 responses

What other conditions would allow you to feel comfortable about sending your child(ren) to school (as a parent) or for the return in September (as a staff member)?

I would feel comfortable getting everyone vaccinated and getting a covid test prior to entering school for the first time.

Air conditioning

Vaccine for kids under 12 years of age

not sure

On a scale of 1 to 5, how satisfied do you feel the school district has supported staff and students in the following areas

Please share any additional thoughts on the upcoming return in September.

I would feel comfortable getting everyone vaccinated and getting a covid test prior to entering school for the first time.

Nothing

Fields under age 12 are not eligible for a vaccine before return to school in September, then the district must provide for an online option for parents of those children. I am not comfortable in sending my unvaccinated child to an overly crowded school in person.
