Hello Islanders! Join advanced marketing students today for their one of a kind lemonade stands during both lunches.

The 200, 300, 400, 500 hallways need to have all posters and artwork removed by tomorrow morning so preparations can start for the Fine Arts Showcase. If you have any posters hanging on the walls that you want saved please remove them yourself.

Seniors, now that it's almost March, the remainder of senior year will FLY by! And speaking of, flying by, the PTSA would like to introduce the theme for the 2023 Senior Graduation Party.
BLAST OFF: Never say the sky's the limit when there are footprints on the moon!
The PTSA has been busy planning an exciting night for all the seniors! We've collected feedback from past seniors, engaged the current seniors and decided to TAKE THE PARTY TO THE NEXT LEVEL. We have 2 new and special venues and have planned additional activities, everything from a Zipline rope course to Lazer tag to Karaoke and a few surprise activities. Ticket sales will start on March 6th and will have a table set up every Friday after that for the seniors to pick up flyers with a QR code and register. After registering and paying, seniors will

get to select the bus THEY want to ride on with their friends and receive a color-coded commemorative wrist band to wear this Spring! Get excited for a fun night with your friends!

There has been an increase in parking issues. If you do not have a parking pass you may not park on campus. If you have a parking pass you must park in the lot that you have been assigned to you. You may not park in any other lot or in the Staff Lots. There is no reason that any students should be in the Band Lot other than getting dropped off. That lot is 100% staff parking now. Tickets will be given and fines will be enforced.

# Club

Attention Club Advisors: The deadline to have your club photo and roster in the yearbook is March 20. The link to add your photo to was in an email.
