Pass the buck, just like Campbell,

BCSD failed these students!!!
The teachers walked away from them

formulated a return school plan and now everyone will just move on. An experiment on the students that needed the most-are now exploited as failures.

Jerry is right, we will never know what we don't know.

"Former Superintendent Jeff Moss and school board chairman Earl Campbell were first alerted to problems at the school in Dec. 2017, when it was identified by the S.C. Department of Education as a "potentially under-performing school," but an organized, concerted effort to improve student success did not take place, according to distric documents."

Chairman Campbell tells us 'he forgot'! In my opinion, we will never know if this was intentional or due to his lack of focus. Either way this extremely important information was unavailable information to the rest of our elected board of trustees...thereby disenfranchising the entire community.

Am I the only one to wonder if the other two board officers in Dec. 2017 were also alerted to problems at Islands Academy, or could they have been otherwise engaged drafting the 'Golden Parachute'? We will never know, what we don't know.

Subject: Chamber article today link attached corruption continues

Link from today's corrupt Chamber article. The secrecy and refusal continues.
Katherine in your article you and Steve Riley don't say how much Dmo got, just chamber got 535k, Riley hid this as Town of HHI $1.3 m Atax recipient and near last listing!! This actually is a good thing!
So we don't have rights to know about how the Town of HH $1.3 m expenditure is spend under Foia ??? So what is and how is all this $1.3 m used by our Town of Hilton Head since the town admits this is a Town Dmo expenditure. Katherine how is this 1.3 m and the 535k, plus the SCPrt matching grants, General tax funds handed to to the chamber for hurricanes, and to join the Town as a chamber member, all spent. Also total advertising sales that competes against the packet and other local media for local ad pools and Chambers Irs Ubit Violations? Why are you not covering this ? You are a island packet member? Why has the packet not asked for access to chamber books under your rights as a chamber member, under the Sc non non profit corporation act laws?
https://www.islandpacket.com/news/politics-government/article223360390.html
<https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fwww.islandpacket.com%2fnews%2fpolitics-government%2farticle223360390.html&c=E,1,jXOG3kdNKqOkN88VvljNC21j6jRRTfJJdEpzAO4wKTK1vCH4uv95mMTaO25nf-3etd83cFM4r4E8XTUAW5argf4dQTQEhnnVJqWLJd2UVukzlMgGsbWPZTkfGY,&typo=1>

Also add the general tax funds used for hurricanes and joining all the chambers with general tax funds was in secret and checks were written by Steve Riley, who also attended the chamber ball with others quid pro quo and Riley was named Chamber Citizen of the year? Ummmmm! Has anyone asked David Ames about Hurricane funds? Or asked John McCann about his comments that he did not know he was a chamber member paid with tax funds, he said he just thought he was entitled to free tickets to all HHI events in quid pro quo.

Where is Article on the illegal criminal $260k private tax theft called a c bank loan to Kim Likins schemed by Steve Riley and Crook Town Lawyer Gregg Alford who should be arrested with Riley, Lawyer Hulbert and McNair puppet Lawyer Walter Nester who works for Crook Lawyer David Tigges.

Where is Article on how all these private corporations listed in this article can even be funded under SC constitutional law, that states you can't use (loan) public funds for private purposes, (private profit) not for the public good, reason, benefit, use and purposes. Should Atax not just be used and issued for public things like bike paths, beach improvements, parks and recreation etc etc. I and many don't play golf, choral, play bridge, go to Shelter Cove, not a chamber member like many and some even kicked out or refused membership etc etc. These organizations need to stand on their own. What is the public tax funds good or benefit from many of these Atax and general tax recipients?

Example crook Cary Corbit, Sea Pines employee, Low Country Golf Owners Association gets 50k, where are the receipts? Cary is in business with Bill Miles with the Golf Magazine, schemed to put Marc Frey of Golfers Guide out of business, Bill Miles owns hiltonheadgolfisland.com <https://linkprotect.cudasvc.com/url?a=http%3a%2f%2fhiltonheadgolfisland.com%2f&c=E,1,dXIvga2QEffv7utjm60--fTFZXX6fCv7HRYnQMgj9Fq3H0_0_ei738eGRH09UBS276KGfMbuxdadgL2tDxOHslLA2udBBAtN9fA23mkeKp7OnJQqRmLHNNY,&typo=1> website and now redirects to our Atax funded Dmo website. Both Bill Miles and Cary sell ads to profit and pay no Irs Ubit taxes. Brad Marra, Atax Committee Chairman, is also in business with them and listed as Principal of this non profit scam on IRS form 990. Also sits on chamber committee and admitted to me he and Atax all have conflict and now seems all Atax was appointed by crook Steve Riley with Bill Miles, Davic

Tigges and Paula Bethea pulling the strings in the background. This can all be proven by an FBI raid.

2019 should be another interesting year for transparency.

We need more deep investigation reporting, not just more happy packet political horse manure. Katherine if you coverage is being controlled, limited and edited, I suggest you go find a place that will let you do your job freely. Nothing worse than censored press like we put up with during a Sarah Borton as publisher for 25 yrs. Sarah was corrupted and controlled by this Chamber, I hope this is not still Continuing into 2019?

Yes, add David Lauderdale was named Chamber Citizen of the year and the Island Packet is a chamber member joined by Sarah Borton past publisher and her husband Bret Borton, who was in business with Bill Miles, Cary Corbit and Brad Marra and ran the Low country Golf Owners Association, then Brett Borton left when I started to expose this and was hired by Jane Upshaw, past chamber Chairman with her crooked husband Tom Upshaw. Bret Borton now works at USCB and has been involved with others at USCB creating fraudulent tourism statistics to help crook Bill Miles keep getting funded. Whistle Blower Sea Pines employee, ohn Monroe provided me secretly much of this info and much more on David Tigges and Paula Bethea.

I have enough info to put many in prison if our law enforcement will do their job.

Local retired educators, some on a State Level question the closing of Island Academy and why in the middle of a school year? Consider it an abandonment of the students.

The fact that these teachers weren't successful with all the advantages that are outlined in todays IP letter to the editor is puzzling. Doesn't this school district have any Master Teachers and why are these teachers against State facilitator help?

Campbell demonstrates his usual Chairman incompetence. Why resign - he will just move his seat occupancy and sit back and collect his stipend. Under Moss we had nothing but uncontrolled vileness and chaos from these majority board members and those on the school board who now voted to close this school at this time continue the pattern by voting against these students. Thankfully a lot of these school board members are now gone.

A recent Glib response from DS, while funny, undermines the seriousness of board responsibility.

The mess still lingers, hopefully the new school board will discard all this failure , act like adults, and work together.

Beaufort County school board chairman should resign

We call on Earl Campbell to resign from the Beaufort County Board of Education immediately.

I too call on Earl Campbell to immediately resign from the Beaufort County Board of Education.

When questioned about an agreement that he signed with the state requiring the school board to assist Islands Academy, Campbell said he "forgot" because he was so busy working on the exit plan for former superintendent Jeff Moss.

As a reminder to all, and using other peoples money, the exit plan Mr. Campbell was so busy working on refers to; Moss will be paid a year's salary of $220,000, his annual $44,000 annuity and compensation for "benefits and unused leave days," a school district news release said. His contract was set to expire in June 2020.

I especially liked the comment below from Chairman Campbell

"As a board, we agree with Dr. Moss that a change in leadership is mutually desired at this point, though I am sad to see him go," chairman Earl Campbell said in the district's release. "We have made great progress during his five years with our District, and he, and we, should be proud of that."

I guess Mr. Campbell also forgot about: the nepotism ploy, the guilty plea of ethics violations, the FBI investigation and the 76 Million Dollar failed referendum...

Yep, I agree it's time for Earl Campbell to resign.

Campbell demonstrates his usual Chairman incompetence. Why resign - he will just move his seat occupancy and sit back and collect his stipend. Under Moss we had nothing but uncontrolled vileness and chaos from these majority board members and those on the school board who now voted to close this school at this time continue the pattern by voting against these students. Thankfully a lot of these school board members are now gone.

A recent Glib response from DS, while funny, undermines the seriousness of board responsibility.

The mess still lingers, hopefully the new school board will discard all this failure , act like adults, and work together.

Beaufort County school board chairman should resign

We call on Earl Campbell to resign from the Beaufort County Board of Education immediately.

I too call on Earl Campbell to immediately resign from the Beaufort County Board of Education.

When questioned about an agreement that he signed with the state requiring the school board to assist Islands Academy, Campbell said he "forgot" because he was so busy working on the exit plan for former superintendent Jeff Moss.

As a reminder to all, and using other peoples money, the exit plan Mr. Campbell was so busy working on refers to; Moss will be paid a year's salary of $220,000, his annual $44,000 annuity and compensation for "benefits and unused leave days," school district news release said. His contract was set to expire in June 2020.

I especially liked the comment below from Chairman Campbell

"As a board, we agree with Dr. Moss that a change in leadership is mutually desired at this point, though I am sad to see him go," chairman Earl Campbell said in the district's release. "We have made great progress during his five years with our District, and he, and we, should be proud of that."

I guess Mr. Campbell also forgot about: the nepotism ploy, the guilty plea of ethics violations, the FBI investigation and the 76 Million Dollar failed referendum...

Yep, I agree it's time for Earl Campbell to resign.

Moss is gone. Time to focus on 2019
and positive progress for a new school board configuration.
How long it will take to recover from the past 5 years of dysfunction (Including the recent Island Academy) remains to be seen.

Hi Jim,

I view David Striebinger as a Moss supporter. Mr. Striebinger will begin his second term in January.

Basically this excuse regarding formulating Moss's parachute is a cop-out in my opinion. He resigned in

May 2017, five months after State notification of Island Academy. I also find it hard to believe that these dedicated teachers at Island Academy and Moss were not aware of these previous years of failure and needed the State to tell them so because of the schools poor evaluation tests.

Pass the buck, just like Campbell,

BCSD failed these students!!!

The teachers walked away from them

formulated a return school plan and now everyone will just move on. An experiment on the students that needed the most-are now exploited as failures.

Jerry is right, we will never know what we don't know.

Chairman Campbell tells us 'he forgot'! In my opinion, we will never know if this was intentional or due to his lack of focus. Either way this extremely important information was unavailable information to the rest of our elected board of trustees...thereby disenfranchising the entire community.

Am I the only one to wonder if the other two board officers in Dec. 2017 were also alerted to problems at Islands Academy, or could they have been otherwise engaged drafting the 'Golden Parachute'? We will never know, what we don't know.

Hi Lyn,

I am one of the few, fortunate constituents who's representative actually responds to any questions or concerns I have regarding our school district. As I understand, one of the reasons for closing IA is that the students in question are not meeting 'seat hours' as required by the state of South Carolina. Further I have learned the students with discipline problems will not be returned to their feeder schools...which was my primary concern. I have learned from those board members who's judgment I greatly respect feel Dr. Berg has the issue well in hand. Only time will tell.

The letter to the editor calling for Campbell's resignation is a request for his total withdrawal from the BCSB.
