Re: RFP for Clear Touch Interactive Panels

From: Rick Rogers & Technology Department

The Dodge County School System is looking to replace 90 existing Smart Boards. We are wanting to replace these Smart Boards with Clear Touch Interactive Panels. The following items need to be included in the quote:

1. The panels must be 75" inches and have the following specs 6000k+ Series Interactive Panel with USB HID/ 20 Points of Touch, Ultra HP.
2. Extended limited warranty for 6000 series 75" Interactive Panels for a total of 5 years
3. WiFi Module – Dual Band Wireless 2.5GHz and 5.0GHz (for use with 6000U Series)
4. Fixed wall mount (for use with all series up to 98")
5. Installation Cost
6. Shipping Cost
7. Total Removal of all old Smart Boards.

*Please include in your quote a detailed description of your warranty and also expected delivery date.

*Shipping must include a lift gate.

22 will be installed at North Dodge Elem School.
167 Orphans Cemetery Rd, Eastman, GA 31023
