Dear Mr. Cook,

It is incorrect to state the district's initial response was not sent within the required timeframe as per FOIA law. We received your request on November 9, 2023 and our initial response was sent on December 5, 2023 which is within the required timeframe of 20 business days (excepting Saturdays, Sundays, and legal public holidays) for public information that is more than 24 months old. As per FOIA law, we have 35 calendar days to provide the requested information after sending our initial response. As previously noted, we will respond accordingly upon receipt of all law enforcement documents. Additionally, Capt. Mattox from the Beaufort County Sherrif's Office has informed us that he has already provided you with the information you requested pertaining to schools within the BCSO's jurisdiction.

Regards,
Candace

Only highly personal information such as a Social security number may be redacted.

I look forward to receiving these documents from the district by Saturday morning.

Thank you for your assistance on this matter.

Regards,
David Cook

As a courtesy, we have requested these documents from these respective agencies as the district is unable to provide public documents that belong to another organization (especially for law enforcement matters naming individuals, necessitating possible redactions as per their discretion). We will respond accordingly to your request upon receipt of these documents.
