For the period ending February 28, 2017, of Fiscal Year 2016-17, the Capital Outlay Fund reflects receipt of $125 million of bonds sold in Fiscal Year 2007, $104 million of bonds sold in Fiscal Year 2010, $39,854,332 of Direct Pay Qualified School Construction bonds sold in Fiscal Year 2011, $43,232,363 million of bonds sold in Fiscal Year 2013, $46,885,000 of bonds sold in March 2014, and $62,087,932 of bonds sold in March 2015 from the Board-Approved Sale of General Obligation Bonds for capital outlay purposes. The Capital Outlay Fund balance of $1,997,482 as of February 28, 2017, is a consolidation of these six bond sales less expenses paid, as of this date.

Current SPLOST

For Fiscal Year 2016-17, the Cherokee County School District received $2,690,919 in February 2017, for the month of January 2017, the 49th month of 60 monthly sales tax collections for the 2013-2017 SPLOST. Collections received were below projections (detail included) for the month by $49,126 and well above cumulative projections by $9,620,887. SPLOST sales tax collections are continuing to trend up and follow the regular cyclical collection patterns. While projections are level from month to month, actual collections vary greatly, due largely to regular consumer spending patterns and seasonal occurrences such as holidays. If this trend continues, it is possible that cumulative collections will exceed projections by as much as $11.5 million as of December 2017.
