The Capital Outlay Fund balance of $18,145,023 as of May 31, 2017, is a consolidation of these bond sales less expenses paid, as of this date.

Current SPLOST

For Fiscal Year 2016-17, the Cherokee County School District received $2,974,744 in May 2017, for the month of April 2017, the 52nd month of 60 monthly sales tax collections for the 2013-2017 SPLOST. Collections received were above projections (detail included) for the month by $234,699 and well above cumulative projections by $10,015,015. SPLOST sales tax collections are continuing to trend up and follow the regular cyclical collection patterns. While projections are level from month to month, actual collections vary greatly, due largely to regular consumer spending patterns and seasonal occurrences such as holidays. If this trend continues, it is possible that cumulative collections will exceed projections by as much as $11.5 million as of December 2017.
