**Collective Bargaining Agreement
between
Northshore School District No. 417
and
Pacific Northwest Regional Council of Carpenters**

Effective September 1, 2018 through August 31, 2022

THIS AGREEMENT is by and between the Northshore School District #417 (hereinafter designated as the Employer), and the Pacific Northwest Regional Council of Carpenters (hereinafter designated as the Union), for the purpose of governing their labor relations by fixing the scale of wages, schedules of hours and conditions of employment for the designated employees in the Northshore School District.

ARTICLE 1 - UNION RIGHTS

1.1 Union Sole Bargaining Agent

The Employer acknowledges that the Union was certified by P.E.R.C. following an election to be the exclusive bargaining representative for the custodial employees within classifications hereinafter mentioned. The parties agree to meet their obligations under RCW 41.56.

1.2 Union Security

The Employer shall provide the Union an annual status and seniority listing of all employees covered by this Agreement on or before October 1 of each year. Each month thereafter changes in status, including new hires, resignations, terminations, promotions, transfers, hours of work, and work locations shall be forwarded to the Union and to the president of the bargaining unit.

1.3 Dues Deduction

The District will make a payroll deduction for Union dues and assessments upon receipt of a written authorization executed by an individual employee. Any deductions for political contributions subject to RCW 42.17A.495 shall be separately authorized in writing by the employee on forms that comply with WAC 390-17-100, and be revocable by the employee at any time. The District shall provide all employees annual notice of their rights regarding payroll deductions for political contributions under WAC 390-17-110.

Prior to the beginning of each school year, the Union will give written notice to the District of the dollar amount of dues and assessments required of a Union member. Any change in the dollar amount of dues and assessment will be given to the District with at least sixty day's notice. The deductions authorized by the above provisions will be made in twelve (12) equal amounts from each paycheck beginning the pay period of September through the pay period in August of each year. Employees who commence employment after September shall have their deductions prorated. Each month during the school year, the District will send the Union all money deducted for dues accompanied by a list of names of those employees for whom payroll deductions were made.

The Union will indemnify, defend and hold the Employer harmless against any claims made against and any suit instituted against the Employer on account of any check-off of Union dues. The Union agrees to refund to the Employer any amounts paid to it in error on account of the check-off provision upon presentation of proper evidence thereof.

1.4 Building Access

Union Representatives who are not District employees may have access to all buildings covered by this Agreement to discharge his/her duties as the representative of the Union; provided, the building administrator or designated representative is notified in advance, and provided further, that the employees are not disturbed in the performance of their duties.

1.4.1 The District will provide the Union reasonable access to new employees of the bargaining unit for the purposes of presenting information about their exclusive bargaining representative to the new employee. The presentation may occur during a new employee orientation provided by the District, or at another time mutually agreed to by the District and Union. The District will provide the Union with reasonable notice of new employee orientation date and time. No employee may be mandated to attend the meetings or presentations by the Association. "Reasonable access" for the purposes of this section means: (a) The access to the new employee occurs within ninety days of the employee's start date within the bargaining unit; (b) The access is for no less than thirty minutes; and (c) The access occurs during the new employee's regular work hours at the employee's regular worksite, or at a location mutually agreed to by the District and Association.

1.5 Bulletin Boards

1.5.1 The District will make available suitable space at each school for the exclusive use of the Union for posting notices of its meetings, elections, recreational and social affairs, reports of Union committees, and rulings and policies of the Union. Notices and announcements shall not contain anything political or reflecting upon the District, any of its employees or any labor organizations among its employees.

1.5.2 The Union shall have the right to use intra-District mail services, employee mailboxes and District e-mail for communications with employees, subject to the following:

- a) The use is consistent with state and federal law and the District's Electronic Information System policy governing the use of the District's electronic mail system;
- b) The use does not interfere with the operation of the District's network resources or increase the District's operational costs;
- c) The use by employees on behalf of the Union is on the employees' own time;
- d) The District and the Union shall consult if either party has a concern about appropriate use of District communication systems for Union purposes; and
- e) If the District's Electronic Information System policy is modified, either party may open Section 1.5.2 for discussion or bargaining.

1.6 Work Site Leaders

The District agrees that the Union will be permitted to appoint Stewards. The Stewards shall exercise their duties in a prudent fashion so as not to unduly interfere with the regular work assigned to them by the District.

1.7 Committees

1.7.1 Negotiating Committee

A Negotiating Committee will be selected by the Union.

Custodial employees acting as spokespersons at negotiating sessions and other meetings mutually agreed to by the District and the Union will be released from school duties to attend, when such meetings are held during working hours.

Meetings may be scheduled to least interfere with school activities, and may be scheduled outside working hours when necessary.

1.7.2 Labor Management Committee

The parties shall establish a joint Labor-Management Committee that shall meet on an as-needed basis, but not less than three (3) times per year unless waived by both parties. The Committee shall consist of no more than five (5) representatives of each of the parties excluding the Union representative or his/her designated representative and the Director of Operations or his/her designated representative. Any increase in either party's committee members shall be through mutual agreement of the parties.

It is understood that the committee shall function in a consultative capacity and shall not be considered a collective bargaining forum, nor a decision-making body unless the parties mutually agree to otherwise on a given topic. Either the Union or the District may initiate a discussion on an appropriate topic. Requests for such a meeting shall be made in writing by the Union or the District or their designated representatives and shall contain specific reasons for the meeting, including the subject(s) and the names of the committee members.

1.7.3 Safety Committee

A Union-designated safety representative shall serve on the District Safety Committee. Concerns brought to the attention of the Custodial Supervisor or the Safety Committee by the safety representative will be responded to in a timely manner.

1.8 Maintenance of Present Wage and Working Conditions

Nothing in this Agreement shall lower the present working conditions or wage standard of any individual employee so long as he/she remains within the job classification in which he/she is now employed, but this provision shall apply only to the individual employee and not to the job classification.

1.9 Union Business Leave

1.9.1 Short-term Union Business Leave

A maximum total of eighty (80) hours of release time with reimbursement from the Union shall be provided annually to employees elected or appointed to office in the Union; provided that the leave is for the purpose of conducting Union business and is requested by the Union representative. Such leave must be scheduled in advance by mutual agreement.

1.9.2 Long-term Union Business Leave (Non-paid)

Employees elected or appointed to a position with the Union and with that Union position's duties requiring the employee to be away from their district job for more than five (5) consecutive workdays are eligible to request Long-term Union Business Leave. The written request must be submitted to the Operations Director at least three weeks in advance of the requested leave.

The Supervisor of Maintenance and Operations shall approve the request if:

- a) the District's operations department and the building work needs can be reasonably covered or substituted for the requesting employee's district job and;
- b) such can be done with minimal disruption to the quality and consistency of service expected.

The leave shall be for the entire duration of requested time off; provided however, the total leave time is less than one year. The employee shall be returned to the same or a similar position upon completion of the leave.

If the employee's elected/appointed position with the Union requires him/her to be away from the District job for one (1) year or more, the District position, at the option of the District, may be declared vacant, opened to applications and filled.

An employee returning from Union Business Leave extending one (1) year or more shall be assigned to the first available position of comparable classification of the one vacated provided one is vacant at the time of return. An employee may not take a Long-term Union Business Leave beyond two (2) years. Only one (1) employee may be on Long-term Union Business Leave at any one time.

1.10 New facility opening

If the District opens a new facility, the parties will meet in Labor-Management Committee to discuss the effects of the District's staffing decisions.

2.3 Work Week

- 2.3.1 A standard work week shall consist of five (5) consecutive eight (8) hour days to be completed in an eight (8) hour period on a Monday to Friday basis.
- 2.3.2 The times for shifts shall be as follows:
 - First Shift – 6:01 a.m. to 2:00 p.m.
 - Second Shift – 2:01 p.m. to 10:00 p.m.
 - Third Shift – 10:01 p.m. to 6:00 a.m.

The majority of time worked within the above time frames shall determine the appropriate shift for an employee. Employees working the majority of hours during the second shift shall receive an additional \$1.25 per hour and the third shift shall receive an \$ 1.50 hour.

- 2.3.3 Each employee will receive a thirty (30) minute lunch period, as near the middle of the shift as practicable, which shall be included in the hours per day to be worked.
- 2.3.4 Each employee shall receive a fifteen (15) minute first half and a fifteen (15) minute second half rest period both of which rest periods shall occur as near the middle of each half shift as is practical.
- 2.3.5 Employees required to work through their regular lunch periods will be given a time to eat at a time agreed upon by the employee and his/her supervisor.
- 2.3.6 The following provisions apply to employees occupying Custodial Services Coordinator positions:
 - 2.3.6.1 The provisions of subsections 2.3.1 through 2.3.4 shall not apply to Custodial Services Coordinators.
 - 2.3.6.2 The standard work week for Custodial Services Coordinators shall generally be Monday through Friday and shall consist of five (5) consecutive eight hour days inclusive of break and lunch periods. The workday shall start between the hours of 6:00 a.m. and 2:00 p.m. The actual start time will be decided by the Director of Operations in consultation with the Custodial Services Coordinators on how to best meet the needs of the District and assure the effectiveness of the position.
 - 2.3.6.3 The District may schedule the Custodial Services Coordinators to work four (4) consecutive ten (10) hour days, inclusive of breaks and lunch periods.
- 2.3.7 A swing shift employee may not be required to work a day shift immediately consecutive to his/her regularly assigned shift, but may do so voluntarily.

2.4 Overtime

- 2.4.1 Any hours worked in excess of the normal hours per day for each shift as stated in Section 2.3 will be considered overtime to be paid at the rate of time and one-half (1-1/2) per hour.
- 2.4.2 Any work performed on Saturday will be considered overtime to be paid at the rate of time and one-half (1-1/2) per hour.

- 2.4.4 Overtime will be assigned on a voluntary basis to employees, with first consideration given to those employees assigned to the facility.

2.4.5 Overtime shall be divided and rotated as equally as possible within a school among those employees who normally perform such work. In the event the District needs additional employees to perform overtime work, this overtime work shall be divided and rotated as equally as possible among other full-time custodial employees prior to using any substitute custodians. The Facility Manager is responsible for the rotation within a school. Custodial Services Coordinators are responsible for the rotation among other full-time custodial employees.

2.4.6 In lieu of overtime pay, an employee may elect to accrue compensatory time (at the rate[s] specified in Section 2.4). No employee may accrue more than forty (40) hours of compensatory time off during the twelve-month period between September 1 and August 31. To request compensatory time off, an employee shall submit the appropriate form for approval by the Supervisor of Maintenance and Operations as soon as possible in advance. Requests submitted with less than two business days advance notice will be denied if there is not justification for the late submission.

All compensatory time off shall be taken in reasonable blocks of time, preferably two (2) hours or more. Approval shall be at the sole discretion of the Supervisor of Maintenance and Operations. In exercising this discretion, the supervisor shall first consider building and program needs, and secondly consider whether or not there are additional substitute costs associated with the absence.

Denial of a request for compensatory time off does not preclude the appropriate exercise of other leave rights the employee may have available to them. Any accrued but unused compensatory time off shall be converted to pay and disbursed to the employee by September 30 of the following accrual period.

2.4.7 The District shall allocate non-shift hours on a per building basis to be used by the Facility Managers and Night Lead Custodians at their discretion. Facility Managers shall use the allotment on an as needed basis but with the understanding that the allotment is for an entire year and may be shared with the Night Lead Custodian/Night Custodian. The allotment will be as follows:

High School	Twenty-four (24) hours
Middle School	Twenty (20) hours
Elementary School	Twelve (12) hours

Utilization of such hours shall be documented on the proper form. Examples of activities which do not require prior approval would include security and other building systems checks, training of custodial staff and checks, orientation or training of substitutes.

Such hours may also be used for activities not listed above (i.e., staff meetings related to job duties or use of facilities), provided prior approval is received from the immediate supervisor.

2.5 Call Back Service

- 2.5.1 Emergency call back service for employees will be paid at the overtime rate of not less than four (4) hours.
- 2.5.2 For specific, prearranged duties, such as cold weather checks, planned callback service for employees will be paid at the overtime rate of not less than two (2) hours. Planned call back shall be mutually agreed upon between the District and the employee(s).
- 2.5.3 The four (4) hour and two (2) hour minimums apply only when an employee is called back.
- 2.5.4 Overtime or additional hours required of an employee immediately before or after regularly assigned hours will not be covered by these call back provisions.

2.6 Safety Equipment

All safety equipment, tools and special clothing shall be furnished by the Employer, who shall also be the judge as to the need of such special equipment, tools and clothing.

2.7 Pay for Higher Classification Work

- 2.7.1 Regular Assignment to Two or More Classifications: Whenever an employee is required to perform duties on a regular basis in two or more job classifications, he/she shall be paid at the hourly rate for the higher classification for each hour worked while so assigned.
- 2.7.2 Temporary Out of Class Assignment: An employee required by the Supervisor of Maintenance and Operations or designee to work temporarily in a higher classification as a substitute for another employee due to absence, or designated for special assignment by the District, shall be paid an hourly differential of two dollars and fifteen cents (\$2.15), starting with the first (1st) full working day of the assignment.

2.8 Mileage

All employees who have been authorized to use their own vehicles on District business shall be reimbursed on a per-mile basis at the IRS-approved mileage rate.

2.9 Employee Evaluation

At least annually each employee shall have his/her performance evaluated. Such evaluation will concern an employee's documented work performance for the entire period covered on the evaluation focusing on strengths and weaknesses with specific suggestions for improvement where appropriate. Where a deficiency has been noted, the supporting information for the judgment shall be shared with the employee, if requested. The Facility Manager has the right to submit written input to the custodial supervisor responsible for evaluating a given employee in the building.

Copies of evaluations shall be placed in the employee's personnel file, and a copy furnished to the employee. An employee may place a written response to any performance evaluation in his/her personnel file. An employee's signature on the evaluation will signify receipt of the evaluation not necessarily agreement with it. Evaluations shall not be considered warning notices for purposes of 3.2.2. An employee may appeal an evaluation that has a potentially adverse effect on his/her employment status through the following appeals process:

STEP ONE:

Within fourteen (14) calendar days of receipt of an evaluation, the employee, either directly or with the assistance of the Union, will commit such appeal to writing, sign it, and present it to the custodial supervisor. The written statement should include: 1) the nature of the appeal; 2) the alleged discrepancies in the evaluation; and 3) the recommended corrections to the evaluation.

Within seven (7) calendar days after receipt of the written appeal, the custodial supervisor shall communicate his/her written response to the employee.

STEP TWO:

If the employee is not satisfied with the resolution at STEP ONE, he/she may, within seven (7) calendar days after receipt of the written response, submit his/her appeal to the Supervisor of Maintenance and Operations. The Director shall meet with the employee within fourteen (14) calendar days after receiving the appeal. A written decision shall be rendered within thirty (30) calendar days of such meeting. Said decision shall be final and binding on the District and the employee.

The District and the Union mutually may agree in writing to extend the limits at any one of the steps described herein.

ARTICLE 3 - CHANGE OF STATUS

3.1 Seniority

3.1.1 Length of continuous service as a custodial employee in the bargaining unit shall govern in all layoffs, reemployment, vacation schedules, and shift preference of employees covered by this Agreement. All custodians are limited to two voluntary transfers per fiscal year.

3.1.2 All open positions shall be governed by the following:

3.1.2.1 Selection Process - Facility Manager or Night Lead Custodian Positions

Applicants for open Facility Manager or Night Lead Custodian positions shall have their applications screened for the following:

- a) any disqualifying, active discipline records;

- b) an overall unsatisfactory evaluation on the applicant's latest performance evaluation.

Such screening shall be done by the Supervisor of Maintenance and Operations or designee. Following this screening, if more than five (5) employees apply for a vacancy, the District shall interview a minimum of five based on seniority order. More may be considered for interview by seniority order if applicable. If less than five (5) employees apply, all will be interviewed. The interview will be conducted by the building administrator, Supervisor of Maintenance and Operations, and a Steward, and may include a team of individuals from the site selected by the administrator. All selections for these open positions shall be made by a good faith a) assessment of the applicants and b) determination that the best-qualified applicant was selected.

Any applicant not selected shall have the right to inquire as to why he/she was not selected. Such inquiry shall be directed to the Supervisor of Maintenance and Operations in writing. Once such an inquiry is received, the Supervisor of Maintenance and Operations shall meet with the inquiring applicant to explain why the individual was not selected. The response of the Supervisor of Maintenance and Operations is not grievable; the hiring decision, if made in bad faith, is grievable.

3.1.2.2 Selection Process - Positions Other Than Facility Manager or Night Lead Custodian

The selection process for open positions not covered in 3.1.2.1 shall be the same as described above except:

- a) The Supervisor of Maintenance and Operations or designee is not required to screen applications;
- b) There is no requirement to have the Steward involved; and
- c) If an applicant is not selected, then the applicant, upon written request to the Supervisor of Maintenance and Operations, shall be entitled to receive a written explanation that sets forth the good faith reason(s) for the determination not to select the individual.

3.1.2.3 Selection Process - Custodial Services Coordinator

Applicants for open Custodial Services Coordinator positions shall have their applications evaluated based on job qualifications and work history. The Supervisor of Maintenance and Operations may choose to interview any or all qualified applicants but shall interview at least the two senior applicants judged to be qualified. All interviews shall be

conducted using an interview team that shall include a Steward. The Supervisor of Maintenance and Operations shall select the most qualified applicant for the open position based on the recommendation of the interview team. If two or more interviewees are judged to be substantially equal by the interview team, then the more senior of these will be offered the position. All selections shall be made by a good faith assessment of the applications and interviews, and determination that the best-qualified applicant was selected.

- 3.1.3 Vacancies will be advertised by job posting in all work locations for both internal and external candidates for a period of (14) calendar days. This job posting will occur within fourteen (14) calendar days of the vacancy; and within fourteen (14) calendar days after advertising closes, the vacancy will be filled. If an outside candidate is selected, the Union will be provided a list internal employees who interviewed for the position and the selected outside candidate(s). If a job posting fails to elicit a qualified applicant, the District may appoint an employee to fill that vacancy with the mutual agreement of that employee or select from outside applicants.
- 3.1.4 Employees selected for a new position may choose to return to their former position, provided the employee notifies the Human Resources department and building administrator in writing within fourteen (14) calendar days of assuming the new position and provided the former position is still vacant.
- 3.1.5 In the event of promotion, the employee shall be given a trial of one hundred twenty (120) calendar days in the new classification. Such employee shall receive the higher rate of pay during the trial period. In the event of transfer or voluntary demotion, the employee shall be given a trial period of sixty (60) calendar days. Prior to the completion of the trial period, the employee may be returned to his/her former or comparable position if he/she is not performing satisfactorily.
- 3.1.6 If a position is vacated for any reason during the trial period, only employees who responded to the initial job posting shall be considered candidates for the vacated position under the terms set forth in Section 3.1.2. If no other employees applied, or if none of the employees who applied are interested in the vacancy, then the position will be advertised again pursuant to Section 3.1.3.

3.2 Employment Status Changes

3.2.1 Notice of Resignation

Each employee shall give the District at least two (2) weeks notice of his/her intention to quit. Failure of the employee to give such notice shall not constitute a breach of contract by the Union.

3.2.2 Disciplinary Action

No employee may be discharged, disciplined, or suspended except for just cause.

3.2.2.1 Except as specified in paragraph 3.2.2.2, no employee may be suspended or discharged as appropriate unless the employee has received three (3) or more written warning notices concerning substandard work or misconduct during the previous three-year period from the date of the intended suspension or discharge. Warning notices shall automatically be removed from the employee's personnel files three (3) years from the date of notice if no repeat incident has occurred within that time; otherwise, they may be removed three (3) years from date of notice upon request of the employee; provided further, that such notices that have to do with sexual misconduct, physical abuse or verbal abuse against a student shall only be removed as permitted by law.

3.2.2.2 No such warning notices shall be necessary if the cause for discharge or suspension is theft, intoxication or substance abuse related to employment, immorality, moral turpitude, sleeping on the job, reckless or unauthorized use of District vehicles or equipment, or gross insubordination which shall be specifically defined as an unprovoked physical assault on an immediate supervisor in the custodial department or failure to comply with the reasonable direct order of an immediate supervisor in the custodial department pertaining to the known duties of an employee's job assignment, but may include similar offenses which are of equal magnitude provided the employee and Union shall be notified in writing within fourteen (14) calendar days of the date of the violation the reasons for any disciplinary action. The employee may have a hearing upon request. Employees may request removal from their personnel file any 3.2.2.2 document in the file, provided at least three (3) years have elapsed from the date of the document's inclusion in the file.

3.3 Retirement

3.3.1 Retirement shall be as required by law.

3.4 Layoff Procedures

3.4.1 The District will provide written notification to the Union Representative and to the employees who are employed in positions which have been identified for layoff at least thirty (30) calendar days in advance of the effective date of the layoff.

3.4.2 Layoffs will occur in reverse order of seniority within each classification with the least senior employee(s) being laid off first.

3.4.3 Classification shall be defined as positions with the same job title or paid at the same wage level, e.g. Woodmoor Elementary Facility Manager and High School Night Lead.

3.4.4 In the event that two or more employees have the same seniority date, the order of seniority shall be determined by a lottery drawing.

3.4.5 Every effort will be made to allow a reduction in the work force to occur through normal attrition which will include resignation, termination and retirement.

3.5 Reassignment and Bumping

3.5.1 An employee whose position has been eliminated may be reassigned to a vacant position in the same classification. Should no such vacancy exist, the employee may bump the least senior employee in that classification.

3.5.2 If an employee chooses not to exercise his/her bumping rights as above, no vacancy exists in the same classification, and/or he/she is the least senior employee in his/her classification, the employee may be reassigned to a vacant position in a lower pay classification or bump the least senior employee in a previously held lower classification.

3.5.3 The bumped employee may also bump the least senior employee in a previously held lower classification.

3.5.4 Employees who are bumped into a lower pay grade will have their wages maintained at their rate of pay in the higher classification for one year from the first day of the reassignment. At that time, the employee will be moved to the step of the pay rate of the lower classifications that is the closest to and not more than his/her rate of pay in the higher classification.

3.6 Re-employment Pool

3.6.1 In the event of layoff, affected employees are to be placed on a re-employment list maintained by the Human Resources Department according to seniority within each classification. Names shall remain on the re-employment list for eighteen (18) consecutive months from the date of layoff. It is the employee's responsibility to keep his/her address and telephone number current with the District.

3.6.2 Laid off employees in the reemployment pool will be offered vacancies by seniority in the same classification held prior to the layoff or reassignment. When the pool does not contain employees with seniority in the same classification as the vacant position, the said position will be posted.

3.6.3 Employees who accept a position of lesser pay in lieu of layoff will retain all rights to remain in the re-employment pool for the classification from which they were laid off.

3.6.4 If laid off employees notify the Human Resources Department that they are no longer available they will be removed from the re-employment pool.

3.6.5 A laid off employee shall, upon application, be granted priority status on the substitute list according to their seniority.

3.7 Recall Procedures

- 3.7.1 If and when a position becomes available, either due to normal attrition or the need arises to establish a new position, then an employee will be rehired from the re-employment pool according to seniority and classification.
 - 3.7.2 The District will contact, by telephone or letter sent to the last known address on record, the most senior employee on the reemployment list and the Union Representative when a position becomes available. The recalled employee must respond within ten (10) calendar days following the date of notification or they will not be considered for the position.
 - 3.7.3 Employees who are recalled to work in the classification held prior to layoff, but refuse two (2) offers of employment will be placed at the bottom of the re-employment pool. Employees who are offered a position in a lower classification may refuse to accept it and shall retain their place on the re-employment pool for the classification from which they were laid off.
 - 3.7.4 Employees who are recalled into a position in a lower classification shall have their wages maintained at their rate of pay in the higher classification for one (1) year from the first day of the reassignment. At that time, the employee will be moved to the step of the pay rate of the lower classification that is the closest to and not more than his/her rate of pay in the higher classification.
 - 3.7.5 The recalled employee will retain accumulated sick leave, vacation time and seniority accrued at the time of layoff. Placement on the salary schedule will be at the same level of experience held at the time of layoff.
 - 3.7.6 The benefits afforded employees in the re-employment pool shall remain in effect for the term of this Agreement.
- 3.8 If substitute employees are not assigned to replace employees who are absent, that fact will be recorded in the custodial log. In the event of an inspection by a supervisor when an employee is performing work on more than one run due to absenteeism, the employee has the right to inform the inspecting supervisor of that fact. The inspection, if completed, shall not be used as a basis for the annual evaluation unless poor performance unrelated to the multiple run situation is observed. If the inspection has not started or is not completed, the inspector shall reschedule the inspection for a later date, such that the work load for the employee has returned to the regular schedule.

In the event a custodian is absent due to illness or injury for two (2) or more days from his/her regular assignment or a vacancy occurs, the Employer shall cover this assignment with a substitute custodian for the period of absence only; provided such occurs while school is in session for students (other than summer school).

ARTICLE 4 - HOLIDAYS AND VACATIONS

4.1 Holidays

- 4.1.1 Annual employees shall be granted the following thirteen (13) paid holidays: New Year's Day, the day before or after New Year's Day, Martin Luther King Jr. Birthday Observance, Presidents' Day, Memorial Day, Veterans' Day, Independence Day, the day before or after Independence Day, Thanksgiving Day, the day after Thanksgiving Day, Labor Day, the day before or after Christmas, and Christmas Day.
- 4.1.2 School term employees shall receive as paid holidays all the above holidays which fall within the months they work.
- 4.1.3 If a holiday falls on the weekend, the holiday will be designated and granted on the Friday preceding, or the Monday following said holiday, provided, that if school is in session on the Friday preceding or Monday following, an additional day of vacation shall be given.
- 4.1.4 Work performed on holidays shall be paid at two (2) times the regular rate of pay in addition to the above holiday pay.
- 4.1.5 If a holiday falls within an employee's vacation period, the employee shall receive an extra day of paid vacation.

- 7.2 Definition
A grievance is an alleged violation or misapplication of a specific article or section of this Agreement.
- 7.3 Procedure
An employee may institute a grievance and may request the assistance of the Union. The proper procedure for pursuing adjudication of alleged grievances is as follows:
- 7.3.1 STEP ONE:
Within twenty-one (21) calendar days of the time a grievance arises, the aggrieved either directly or with the Union Steward and/or Representative will commit the grievance to writing, sign it, and present it to the appropriate supervisor. The written statement should include (1) the nature of the grievance, (2) the alleged section(s) that have been violated, (3) the recommended solution to the grievance. Within seven (7) calendar days of receipt of the written grievance, the supervisor shall contact the grievant and/or Union agent who submitted the grievance and attempt to schedule a meeting to hear and possibly resolve the dispute. This meeting should occur promptly but in no case later than the twentieth (20th) calendar day from receipt of the written grievance, unless otherwise mutually agreed upon in writing. Within seven (7) calendar days following the conclusion of the STEP ONE meeting, the immediate supervisor shall communicate his/her written response to the aggrieved and the union.

If the grievant is not satisfied with the resolution at STEP ONE and desires to have the dispute heard at the next level of the process, he/she shall, within seven (7) calendar

days of receipt of the written response in STEP ONE, submit the written grievance to the Superintendent or designee. The Superintendent or designee shall, within ten (10) calendar days after receiving the grievance in writing, attempt to schedule a meeting of the parties to hear the grievance. 7.3.3 STEP THREE:

If the parties in STEP TWO cannot reach agreement on the disposition of the grievance in fourteen (14) calendar days, the grievance shall be referred promptly, in writing, to an arbitration committee. This committee shall consist of one representative from the District, one representative of the Union and a third member chosen by these two.
