Never Say Goodbye

As I sit in this smokey room
The night about to end
I pass my time with strangers
But this bottle's my only friend

Remember when we used to park
On Butler Street out in the dark
Remember when we lost the keys
And you lost more than that in my backseat

Remember when we used to talk
About busting out - we'd break their hearts
Together - forever

Never say goodbye, never say goodbye
You and me and my old friends
Hoping it would never end
Never say goodbye, never say goodbye
Holdin' on - we got to try
Holdin' on to never say goodbye

Remember days of skipping school
Racing cars and being cool
With a six pack and the radio
We didn't need no place to go

Remember at the prom that night
You and me we had a fight
But the band they played our favorite song
And I held you in my arms so strong

We danced so close
We danced so slow
And I swore I'd never let you go
Together - forever

Never say goodbye, never say goodbye
You and me and my old friends
Hoping it would never end
Never say goodbye, never say goodbye
Holdin' on - we got to try
Holdin' on to never say goodbye

I guess you'd say we used to talk
About busting out
We'd break their hearts
Together - forever

Dedication

We, the Senior Class of 1988, dedicate this yearbook to our class and all the future graduating classes of Broadalbin-Perth High School. We hope the sense of unity instilled in our school this year will continue to prosper in years to come. We are proud to be the *FIRST* graduating class in the history of Broadalbin-Perth. We hope that the pride will continue and that you never say goodbye.

Mr. Morrette

Miss Sullivan

We, the first Senior Class of Broadalbin-Perth High School, would like to thank our advisors, Mr. Morette and Miss Sullivan.

It was September 1987, and the beginning of our senior year, and for some of us, our very first day in a new place. It was quite a change for us all but you were there for us, helping to make the adjustment easier. You've given us all your time, energy, and effort— and you only asked that we do the same. You've guided us and helped us and we would just like to say "Thank you."
