CAASPP Testing Update

College Park CAASPP Testing Update

On Monday, April 26, College Park will begin CAASPP/CAST testing for all Juniors and CAST testing for all Seniors. The general schedule for testing is below. We will be using our In-Person and Virtual Support periods (Periods 7 and 8) in order to complete testing so that no instructional time is lost. We will be sending out more information later this week to both students and families.

California Assessment of Student Performance and Progress

Visit the CAASPP site.

CAASPP Schedule

Week of April 26: Math/Science Test-in-person students
Week of May 3: Math/Science Test-virtual students
Week of May 10: English Test-all students

Technology for CAASPP

In-person students will be using a district device in order to complete all testing. Students who are virtual and do not have a district device will need to download a secure browser on their device. Instructions and Videos made by the State of California to assist in downloading the browser can be found below. We will also be holding Zoom virtual office hours for those that might be having trouble downloading the secure browser on **April 28 at 2 PM**. Unfortunately, we are unable to physically help with downloading secure browsers onto personal devices.

Logging-in to CAASPP Testing

Students will need to have their state testing ID number (SSID) in order to log in. SSID numbers can be found in HomeLink in the Demographics section.

Students will also need to log in with their full first name as it appears in Aeries.
Download the secure browser.
Find your SSID number on HomeLink.
Join Zoom office hours 2 PM, April 28.

Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:
- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email Mr. Honey if you have any questions.

Attendance Procedures in Distance Learning

Email attendance clearances, excuses, issues, concerns and updates to the Attendance Secretary.

Visit the Attendance page.

Teachers are recording each student's attendance through the codes provided by CA State to represent their highest level of participation for that day:

- P = Present: Online synchronous instruction, 1:1 office hours
- 4 = Online Activity: Completed a test, turning in assignments, etc.
- 3 = Communication w/ Certificated Staff: 2-way communication with student and/or parent online or by email
- A = Absent (none of the above engagement)

Support Staff Code:

- 6 = Support Service Access: Speech Therapy, OT, PT, Counseling

Distance Learning Student Expectations & Protocols for Online Meetings

- Students must login using their MUDSD.Net email account
- Log-on to Zoom/Google Meet five minutes prior to class starting
- Have First and Last name correctly spelled on your Zoom/Google Meet window
- Keep cameras on (if possible) and Microphones on Mute unless speaking to teacher or as directed by teacher.
