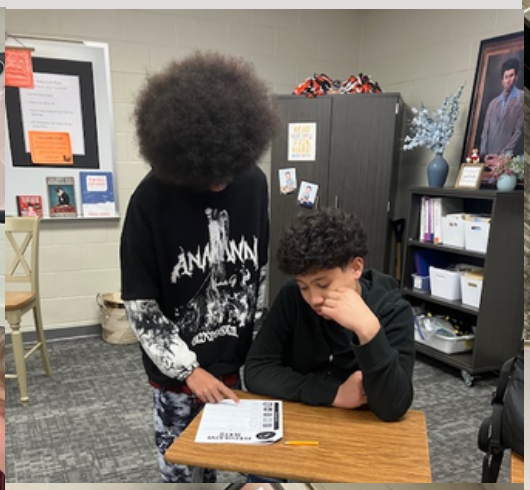
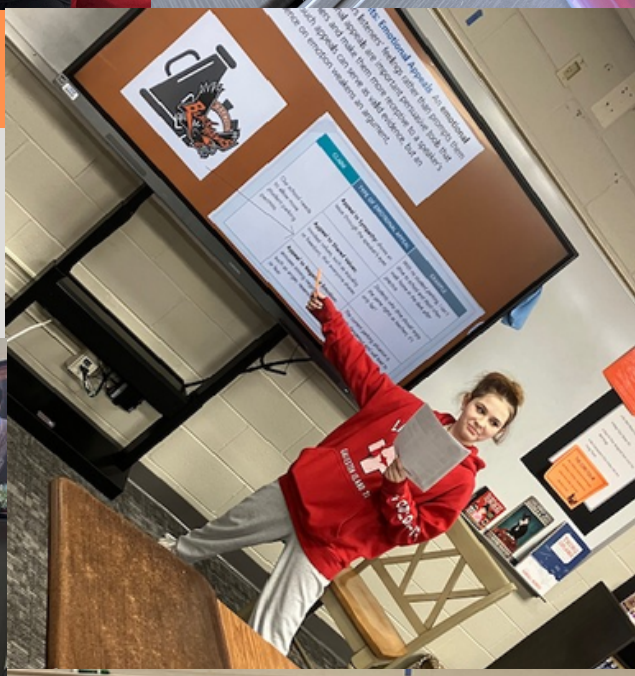
LEARNING ABOUT THE CIVIL WAR

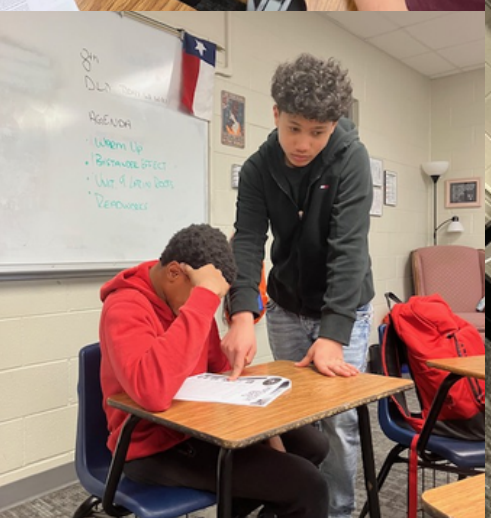
Eighth grade US History students created spoke diagrams to learn about how different the North and South developed leading up to the Civil War.

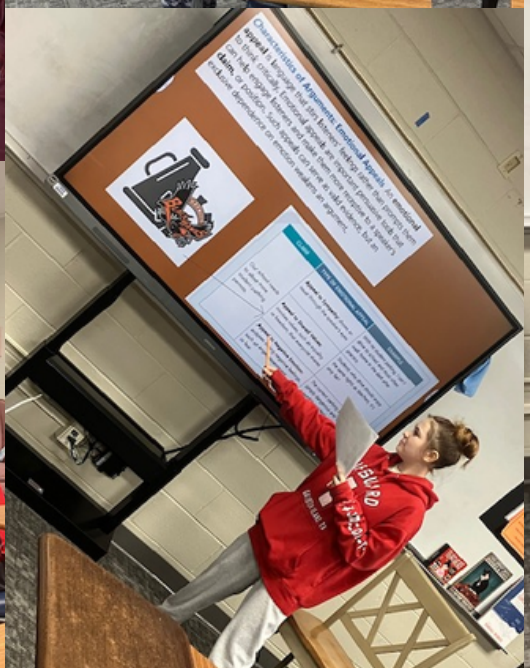
LEARN THROUGH TEACHING

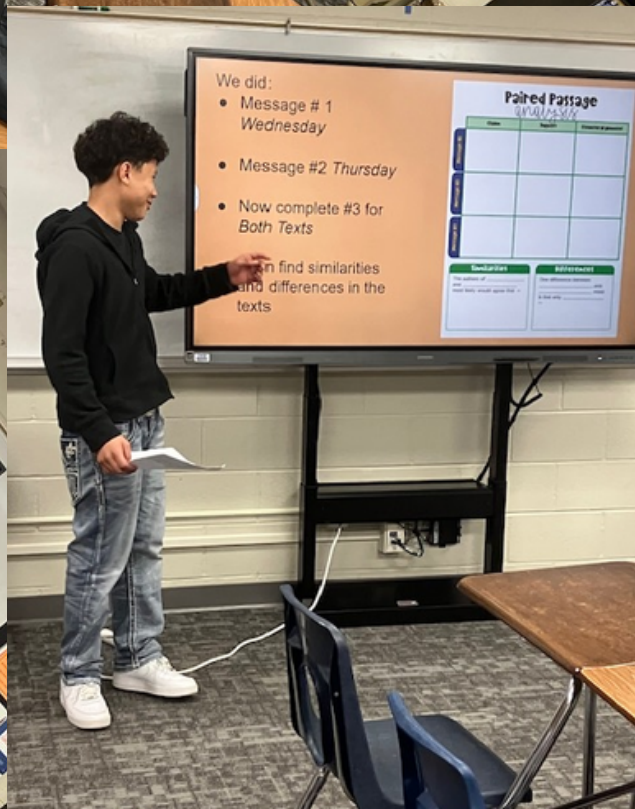
Some of Mrs. Tower's 8th grade students got the chance to teach, present and help tutor the material to each other.
This was a "learn through teaching it" approach! Mrs. Tower sat at a desk and led the direction through questioning the "teacher" and allowing them to explain it to the class.











STUDENTS OF THE MONTH

FEBRUARY 2025

NOAH MCKINNON, 9TH GRADE

Noah is a conscientious and highly motivated student. Noah always has great insights to add to discussions and completes his work with great care. He quite deserves the title of "Student of the Month!'

ZANE GOODWIN, 8TH GRADE

Zane is the most respectful student and always comes to class with a positive attitude. He puts so much effort into his assignments, class participation, and making others feel included. I love having Zane in class!

PHARAOH MIMMS, 7TH GRADE

Pharaoh always has a great attitude and a smile on his face. I know I can count on him to give great effort in anything he does. Pharaoh is such an awesome kid!

LAMA MOHAMED, 9TH GRADE

Lama is a curious and hardworking student. She is very interested in what we are covering and adds great comments to our class discussions. Lama is a joy to have in class!

VALERIE VALDEZ-HERRERA, 8TH GRADE

Valerie has grown to love history this year. It has made my teacher heart very proud to watch her grow. It is my honor to teach her, and I cannot wait to see her results on the STAAR test. I am 100% confident she will knock it out of the park! Keep it up, Valerie!

MAKENA TROUPE, 7TH GRADE

Makena is an excellent student and stays engaged; ready to contribute to a healthy learning environment. She does all of this with smile on her face and a bright attitude. Great job, Makena!

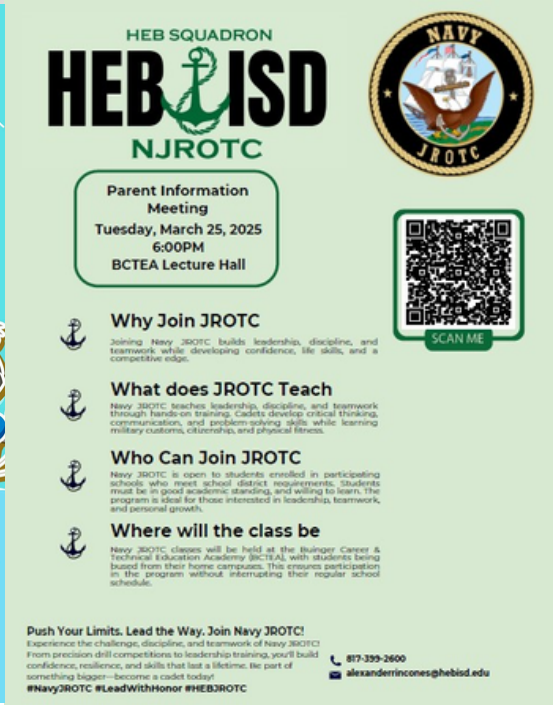
MORE EVENTS & NEWS



HEB
HURST - EULESS - BEDFORD
Independent School District

To All HEB ISD Parents, Families, and Employees:

At a recent board meeting, the Board of Trustees approved our Official School Calendar for the 2025-2026 school year. We appreciate your input, and from the results of that input, our employees and our community let us know that Calendar Draft A was the choice of our stakeholders. You can access the 2025-2026 calendar on our calendar webpage: HEB ISD Calendars webpage (www.hebisd.edu/calendar)

Please Note: Next school year's calendar will start the school day five minutes earlier than the current school year. Beginning in August 2025, the elementary school day will start at 7:45 AM, junior high at 8:15 AM, and high school at 8:40 AM. This allows HEB ISD to fulfill common calendar requests we've received from HEB ISD families and staff, while still providing students with enough instructional minutes.
