## 2017-18 School Performance Report

22107 23rd DR SE • Bothell, WA 98021 • 425.408.6600 • [www.nsd.org/sas](http://www.nsd.org/sas)

**Principal:** Donna Tyo

Northshore School District is committed to providing an equitable alternative learning environment for all students and this is very evident at the Secondary Academy for Success (SAS). SAS is a 5-day a week, 6 periods a day, grades 9-12 high school.

SAS embraces students whose learning styles require different instructional approaches or those who need or want an alternative setting to the large comprehensive high school. SAS strives to provide an equitable school environment that is civil, respectful, safe and welcoming, where every student knows they belong.

SAS's motto "You are a Superhero, what is your superpower" recognizes that every student has unique strengths and abilities. Everything we do at SAS is designed to develop and build student confidence to help them achieve their full potential.

Enrollment in SAS enrollment is predicated on an application and interview process. Personal accountability and respect are the two pivotal standards guiding our program. Students sign a contract when they enroll. Our teachers are highly qualified in their subject content areas and are skilled in teaching students with alternative learning styles.

Donna Tyo, Principal

**Mission Statement:** *To motivate and support students' physical, social, emotional and academic growth to prepare students for high school graduation and to promote post high school skills training, career development education and community citizenship opportunities.*

## Assessments

Northshore School District administers Smarter Balanced Assessments (SBA) in English/Language Arts (ELA) and math in grades 3, 4, 5, 6, 7, 8 and 10; and the Washington Comprehensive Assessments of Science (WCAS) in grades 5, 8, and 11 to students annually in compliance with state and federal laws.

## Community Involvement

We value the extremely strong support of our parents, alumni and community members. Volunteer opportunities, both inside and outside of the classroom are available and our PTA/PTSAs support all of our co-curricular programs.

Contact the school for information on volunteer or PTA/PTSA opportunities.

Our school facilities are available for community use at 425.408.7810.

## School Improvement Plan

Secondary Academy for Success staff worked to provide a learning environment that promoted lifelong learning to prepare students for success after graduation.

1. One of our two goals was to provide growth to every student and eliminate outcome and opportunity gaps, as well as, increase on-time graduation rates.
2. We increased enrollment of students in Running Start, WANIC/Satellite courses and as classes offered at their traditional schools, as well as an increase in students earning a passing grade through school wide interventions and supports.
3. We increased our on track for on-time graduation rate by providing a school wide program to provide academic and socioemotional support for each student.

## **Facility Information**

The new SAS building opened in 2011 and students understand and can elaborate on how to be a friendly neighbor in and around Canyon Park Business Park.

Students and staff members worked together to design the building. It has interactive technology woven throughout the school to help educate students about sustainable energy as part of the “green” project. Students travel off campus to nearby parks or to Pop Keeney field for their outdoor physical education opportunities due to the lack of playfields surrounding SAS. A unique component of the SAS learning environment is the many field trips offered to students throughout the year that provide advantageous outdoor learning opportunities such as Mt. Rainier, Mt. Baker, Ice Caves, Deception Pass and Pike Place Market.
