At Inglemoor High School, we strive to ensure every student is ready for their next step after high school. Through intentional partnerships between students, staff, families and community members, we work to ensure all students graduate Inglemoor as positive and productive citizens. This entails having a plan and the necessary motivation to achieve their next step.

We believe that through a rigorous curriculum paired with support, our students will be prepared for the next phase of their lives. We also believe that by building positive individual relationships with all students, by being culturally responsive in our approach to teaching and discipline, and by utilizing appropriately designed interventions, we can identify and meet the needs of all students. This helps us ensure a culture where everyone feels welcome, safe, encouraged and supported to meet their full potential as learners.

Adam Desautels, Principal

Mission Statement: *To provide a safe, caring environment that fosters life-long learning and inspires students to develop their full potential as contributing members of a global society.*

Community Involvement

We value the extremely strong support of our parents, alumni and community members. Volunteer opportunities, both inside and outside of the classroom are available and our PTA/PTSAs support all of our co-curricular programs.

Contact the school for information on volunteer or PTA/PTSA opportunities.

Our school facilities are available for community use at 425.408.7810.

School Improvement Plan

Inglemoor's School Improvement Plan supports our goal to close the achievement gap by supporting all students to meet on-time graduation requirements, and removing barriers to our higher level courses for underrepresented student populations – specifically our Hispanic students.

Teachers collaborated by working in departments, with administration, and as a whole staff for core 24 requirements to be met. Student learning needs were addressed through a variety of tracking methods, interventions for students failing courses or missing school, counseling, and classes focused on providing individualized support.

Progress Report: The IHS staff is excited to report that we were able to showcase our high on-time graduation rate and increase our enrollment of Hispanic students in higher level courses.

Facility Information

Inglemoor was built in 1964 on 49.2 acres. An extensive remodel was completed in 1995. Our one-story school contains 68 classrooms, four computer labs, thirteen computers-on-wheels labs, performing arts center, comprehensive health room, career/counseling center, library media resource center and a state-of-the-art planetarium. Telecommunications, technology and data/video networking are integrated into all facets of our instructional program.

An outstanding athletic complex surrounds our campus. Lighted synthetic turf baseball, softball and football fields provide Inglemoor with excellent instructional and competitive facilities. Our gym is one of the largest in the KingCo Conference, and major upgrades were added to our baseball field, soccer field, tennis courts and rubber/asphalt track.

Inglemoor's complex is used during the evening and on weekends by youth and adult sports programs, PTSA groups, community organizations and other Northshore schools. This partnership provides multiple opportunities for our community to engage in life-long learning experiences in a first class facility.
