Message Name: interim principal

Message Types: Email

Email Subject: Notification from Beaufort High School

Email Message:

TO: Beaufort High School Families

We are writing to let you know that Assistant Principal Dr. Sonji Leach will be serving as interim principal effective immediately. District personnel will also be providing additional support to ensure BHS staff and students are able to finish out the school year strong.

Although we understand that absences such as this can create questions amongst students and parents, the district is unable to comment on personnel matters.

We greatly appreciate your support during this transition.
