Change a Life - Endow a Student

Scholarship - Create an endowment fund in honor of you or a loved one.

Once the funds and criteria are in place, the scholarship fund would be a perpetual means of bringing honor to you or the person for whom the endowment is named. At the same time, a qualified student will be honored with a scholarship which would help to supplement their financial need. This could be your legacy.

Wall of Honor - The JTHS Wall of Honor provides an opportunity to support worthwhile educational endeavors, provide a thoughtful means to remember a loved one, commemorate a joyous event, honor a graduation class, and more.

Field House Ceremonial Brick - Provide a lasting legacy by having an engraved brick permanently placed in a special area at either or both field houses. Great for graduates and/or retired staff.

Volunteer - The JTHS Foundation is fortunate to have dedicated volunteers who make it all happen. And, we're always looking for more people - just like YOU to help! You choose when you volunteer. JTHS Foundation makes volunteering fun, easy, and so rewarding.

Foundation

The JTHS Foundation is comprised of community volunteers who make it their mission to provide educational grants and student scholarships.

As a charitable 501(c)3 organization the JTHS Foundation is licensed federally and by the State of Illinois. Funds are held in general accounts and in the Brenton Wadsworth Endowment. Thanks in a great part to the generosity of Mr. Wadsworth, this account has generated thousands of dollars in interest earnings that are earmarked annually for grants for students and faculty as well as for scholarships.

Mr. Wadsworth, a 1947 graduate of Joliet Township High School, went on to University of Illinois and founded an international golf course construction firm. He believed in the mission of the Foundation. He noted that *"JT gave me everything I needed to succeed in life and I feel it's appropriate for graduates to give back - not just to universities, but to other institutions that shaped their lives."*

The Foundation's goal is to attract donations and engage in fundraising activities in order to provide needed support to students and staff. The Foundation seeks resources, including those of volunteers and monetary contributions. Contributions are tax deductible to the extent as allowed by law. Please contact Mark Turk at (815) 922-4065 for additional information.
