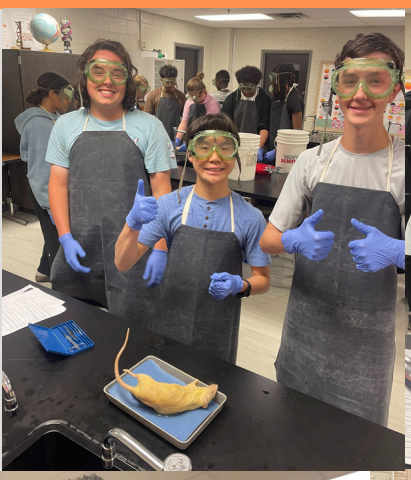
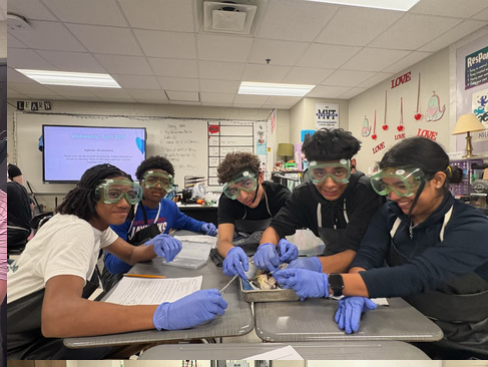
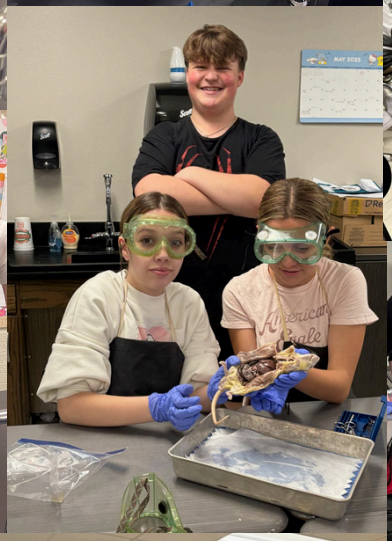
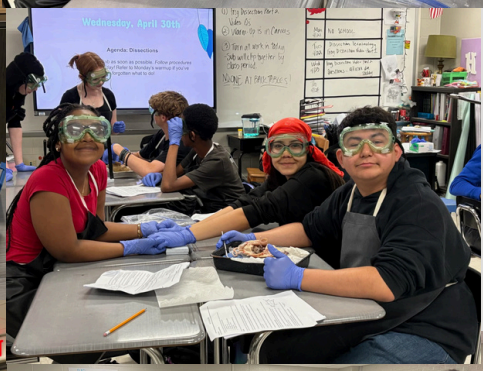
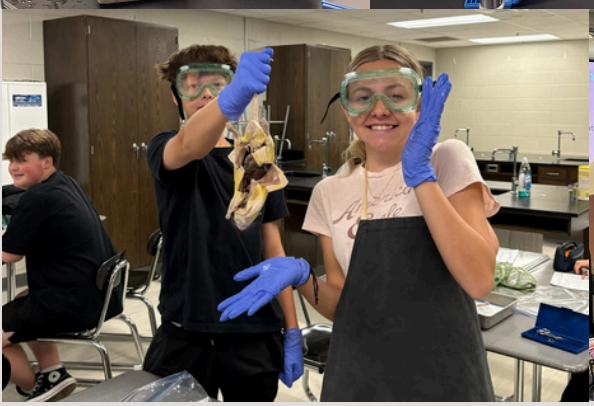
RAT DISSECTION IN BIOLOGY

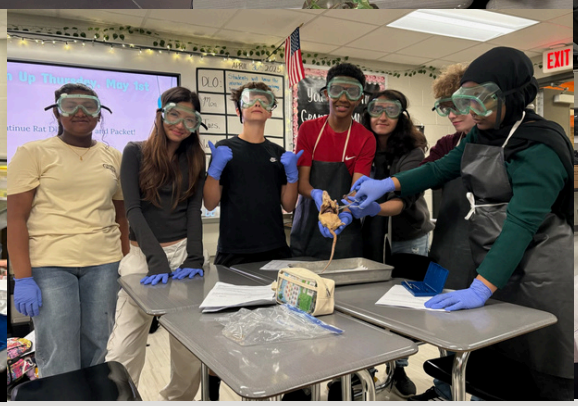






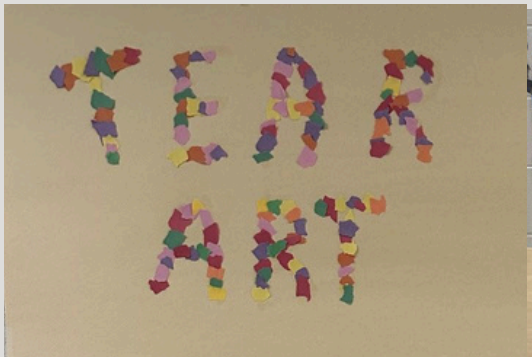


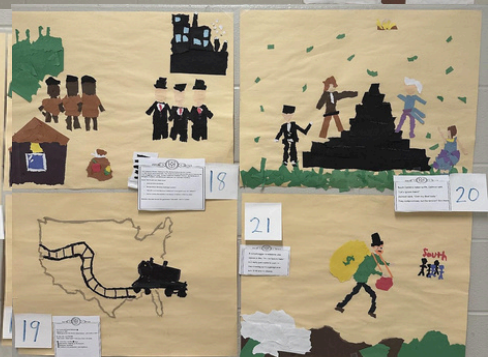




US HISTORY TEAR ART

Check out our 8th grade US History students' incredible tear art creations! Inspired by the techniques of Henri Matisse—minus the scissors—students used only paper and glue to craft their masterpieces. Each artwork represents a historical event selected at random, making every piece truly unique.





STUDENTS OF THE MONTH

MAY 2025

NOAH BOOTH, 9TH GRADE

Noah is an artist who shares his talents and passions with our school community through band and theatre. It was an absolute joy watching him lead the Spongebob musical here at Harwood in addition to his participation in the Trinity High School Marching Band this year. I can't wait to see what the future has in store for this well-rounded young man!

FREDDY CONTRERAS, 8TH GRADE

I don't think I have seen Freddy one day over the last two years where Freddy did not have a smile on his face. Whether he is greeting adults or spending time with his friends, he is spreading positivity to those he comes in contact with. Thank you for sharing your joy with our school, Freddy!

TIMOTHY WILK, 7TH GRADE

Timothy is always so kind, polite and friendly. He sees things from a different perspective, coming up with analogies he sees fit. He asks clarifying questions if he doesn't know the answer to a question. Timothy also loves to help clean the cafeteria every day, taking pride in keeping Harwood clean.

EMMA BORCHARDT, 9TH GRADE

Happiness abounds in Emma! She is one of my first hellos each morning and is a smile I see throughout the day. She puts her all into her work and even when it is hard, she makes adjustments to continue success even if it means a new path! You will thrive in high school, but we will miss you!

KAMRYN SCOTT, 8TH GRADE

Kamryn is an excellent representative of Harwood Jr. High. She is strong. She is kind. She works hard. She is respectful of others. The world needs more people like Kamryn!

SAVANNAH CZAPLICKI, 7TH GRADE

Savannah is a hard worker and is committed to making Harwood a better place. She cleans every day without anyone asking and is most often the only one we have cleaning during her lunch. She exemplifies integrity by doing the right thing even if it isn't the "fun" thing or what everyone else is doing. We are lucky to have Savannah!

BULLYING PREVENTION

Taking a Stand and Making a Difference

YES (Youth Equipped to Succeed) will present an anti-bullying seminar to all students on May 8th or 9th during their history class. Let's inspire students to take a stand and be the positive difference against bullying.
