2024-2025

COVID-19 GUIDELINES FOR *Students*

The California Department of Public Health has issued new requirements regarding the management of COVID on school campuses.

IF YOU HAVE ANY OF THE SYMPTOMS BELOW, PLEASE STAY HOME!

- body or muscle aches
- fatigue
- new loss of taste or smell
- chills (with or without fever)
- fever
- runny nose or congestion
- cough
- headache
- sore throat
- difficulty breathing or short of breath
- nausea, vomiting or diarrhea

STAY HOME

COVID-19 TESTS ARE AVAILABLE

Rapid Antigen COVID-19 home tests are available by request for Central Unified students and staff at all school sites.

IF A STUDENT IS SICK:

PCR TEST + = STAY HOME

Stay home and return when:

- Symptoms have improved
- Are fever-free for 24 hours (1 day) WITHOUT the use of fever-reducing medications
- A mask is recommended when around other people indoors for 10 days after the student becomes sick

IF A STUDENT HAS A POSITIVE COVID-19 TEST:

TEST COVID-19 + − = STAY HOME

Students who test positive for COVID-19 and are sick (OR) test positive and are asymptomatic, stay home and may return when:

- Symptoms have improved
- Are fever-free for 24 hours (1 day) WITHOUT the use of fever-reducing medications
- A mask is recommended when around other people indoors or for 10 days after the student becomes sick

For additional testing locations, please visit: www.co.fresno.ca.us

1. click on “Departments”
2. then “Public Health”
3. then “COVID-19 Information”
4. then “Find a Testing Site”

These guidelines reflect current guidance and requirements from the California Department of Public Health, the Centers for Disease Control. For more information visit **www.cdph.ca.gov**

PLEASE NOTE:

1. Students may attend school if they have been exposed to COVID-19
2. COVID-19 testing is not required before returning to school
3. Tests DO NOT need to be medically verified - Rapid Antigen tests are okay
