Eisenhower Technology Action Plan 2018-2019

SMART Goals:

Growth Target: Teacher and student usage of instructional technology will increase by 20% as measured by application metrics.

Content	Action	Professional Learning	Who is responsible?	By When?	How will we measure?
Technology	**Online Safety** - All grade 9-12 students complete the Learning.com Online Safety course. (Digital Literacy)	All K-12 students will utilize Learning.com to learn about cyber-safety. **WA State/ISTE Standard -2 Digital Citizen: 2b** -Students engage in positive, safe, legal and ethical behavior when using technology, including social interactions online or when using networked devices.	Classroom teacher or library media specialist		Learning.com generated building reports.
	G Suite - Increase the use of G Suite in grades 9-12 classrooms. ● Email ● Word processing ● Research & inquiry ● On-line collaboration ● Completing and submitting assignments digitally	Provide professional development in basic Google Drive features and login information. Training is available every Thursday afternoon. Classrooms will access Google Docs to write at least two research documents using Google's research tool and Media and Information Resource tools. **ISTE Standard -3 Knowledge Constructor: 3d** -Students build knowledge by actively exploring real-world issues and problems, developing ideas and theories and pursuing answers and solutions.	ITF, ITRT, building principal, IF, library media specialist.	May 2019	Classroom monitoring and sampling.

	Canvas -Increase the use of Canvas in grades 9-12 classrooms. - Completing and submitting assignments digitally	Provide professional development in basic Canvas features and login information. Teachers will create at least one Canvas assignment for their classroom to access. Teachers will create an assignment in Canvas that requires students to upload a Google Doc/Sheets/Slides as an assignment submission. Training is available every Thursday afternoon. **Teacher ISTE Standard -1 Facilitate and Inspire Student Learning and Creativity: 1c -** Promote student reflection using collaborative tools to reveal and clarify students conceptual understanding and thinking, planning, and creative processes.	ITF, ITRT, Classroom teachers, and IF	May 2019	Classroom monitoring and sampling.
	Classroom web page - Teachers will create a classroom web page using Canvas for parent/student communication.	Teachers will set-up and keep their classroom calendar and documents current. Training is available every Thursday afternoon. **Teacher ISTE Standard -3 Model Digital Age Work and Learning: 3b** -Collaborate with students, peers, parents, and community members using digital tools and resources to support student success and innovation (Danielson Framework: 4c Communicating with Families)	Classroom teachers, IF, and ITF	January 2019	Viewing of each web page
	iOEducation - Math teachers will use iOed for benchmark and formative assessments.	Math students will use iOEducation to take formative and benchmark assessments designed by teachers. **ISTE Standard - 2 Design and develop digital age learning experiences and assessments: 2a** - Design or adapt relevant learning experiences that incorporate digital tools and resources to promote student learning and creativity.	Math teachers, IF, and ITF	November 2019	Data collection and review

	Xello - Use Xello in our 9th grade Advisory class for curriculum and student planning.	Teachers will use curriculum developed by Xello to aid students in developing a plan for high school and beyond. **ISTE Standard - 2 Design and develop digital age learning experiences and assessments: 2c** - Customize and personalize learning activities to address students' diverse learning styles, working strategies, and abilities using digital tools and resources.	Advisory teachers	High School and beyond	Checked by counselors and advisory teachers
	Social Media – Use social media (Twitter, Facebook, etc.) to promote Eisenhower High School	Administration and designated staff will use social media to promote Eisenhower High School events. Encourage staff to submit narratives and pictures. **ISTE Standard - Model digital age work and learning: 3c** - Communicate relevant information and ideas effectively to students, parents, and peers using a variety of digital age media and formats	Administration and staff	On-going	Continuous review by administration throughout the year
	Homeroom – Use Homeroom to collect and review student data.	Teachers will use Homeroom to collect and review student data to improve the learning attributes for the students. **ISTE Standard - Model digital age work and learning: 3a** - Demonstrate fluency in technology systems and the transfer of current knowledge to new technologies and situations	Classroom teachers, IF, and ITRT	On-going	Continuous review by administration throughout the year
