Hello, Parents and Guardians!

I think it is finally spring! The May parent meeting will take place on May 25th at 7pm via Zoom. We will be discussing spring MAP testing and ways to keep your student(s) engaged during the summer. Spring MAP testing will be taking place starting on May 15th for middle schoolers and Please remind your students that live classes have been cancelled until further notice, and if your student needs help with their projects, they can contact one of the WAY Michigan staff members and we can set up one-on-one sessions with them.

Hello WAY Michigan Parents and Researchers!

With it being spring and summer approaching, it is important to remember that we are a year round school. All researchers should still be reaching their goal of 0.5 credit a month leading to our summer months which are July and August, in the summer months they should have 0.25 credit each. Our Summer Policy is specified in our Researcher Handbook. If you have any questions, please let your researcher's team leader and mentor know.

Hello WAY Students and Parents. This has been an exciting school year.

May 8th through May 11th we will be working on completing Xello for High School students, grades 10th through 12th. Please keep an eye out for emails and the sign up sheet. On May 26th at 1pm, I will be hosting a Career Fair to help students learn about Skilled Trades. Please make sure you sign up to learn more. The Resume Workshop and Virtual College Tour will be held on May 19th from 1pm to 3pm.

Hello Parents and Students!!

I hope that you everyone has a marvelous May! This month the focus will be on the NWEA MAP Growth testing and helping our seniors graduate. The Spring NWEA MAP Growth test window is May 15 to June 2. There will be more information sent via email regarding the testing in the next few weeks. Additionally, we are working with our seniors to complete their graduation requirements. We have a deadline of May 12th for Cap and Gown orders. All seniors that want to participate in graduation need to complete their requirements by May 26th.

Our Spring E-Sports season has ended. Our Rocket league team finished 6th place in Division 5. This was not high enough to qualify for playoffs this season. We look forward to reviewing the season with our team and making plans for improvement this summer and fall. If you have any questions, please call us at 313-638-2716 or email us at enroll@wayprogram.net.

I look forward to continued partnership this school year!
