DEDICATION

Choosing the person to dedicate the yearbook to requires a lot of time and thought. This year the 1972 yearbook is dedicated to a man who has given 30 years of his life to Broadalbin High School.

The man is Mr. Micheal Chouse, now the Secondary Supervisor of B.H.S. He started his career in education as a teacher of mathematics and science at Rockland Jr. College in Nyack, N. Y. After teaching in Fonda for three years, he came to Broadalbin in 1941 as a teacher of mathematics, science, and industrial arts. In 1954 he became the Vice Principal of B.H.S. after receiving his Master's degree in Secondary School Administration from the State University of Albany. In 1956 he received a Masters degree in Elementary School Administration and then became the Secondary Supervisor.

Since then Mr. Chouse has been at our school serving the school with his unending patience. Our extreme thanks and admiration to him . . .

James C. Murray,
Supervising
Principal

Mr. Kenneth A. Smith Executive Officer for the Board of Cooperative Educational Services, Hamilton — Fulton and Montgomery Counties.

IN MEMORIAM

Death, be not proud, though some have called thee
Mighty and dreadful; for thou art not so;
For those whom thou think'st thou dost overthrow
Die not, poor Death; nor yet canst thou kill me . . .
One short sleep past, we wake eternally
And Death shall be no more: Death, thou shalt die.

MARK KIBLER

When traveling the road of life . . . we go through many stages . . . so I will try to paint a view . . . of different times and ages . . . first comes the phase of babyhood . . . when life was light and breezy . . . and if we wanted anything . . . by crying it was easy . . . then golden days of childhood came . . . when it was always spring . . . and we were all securely tied . . . to Mother's apron string . . . too suddenly our teens appear . . . our world's a wonderland . . . impressionable time of life . . . when everything seems grand . . . soon we are in adulthood . . . and trouble starts to rain . . . but through the teachings of our youth . . . we made each loss a gain . . . now middle age and still we plod . . . although the going's rough . . . we learn to live from day to day . . . and heartaches we rebuff . . . then twilight with its mellow glow . . . dear thoughts of way back when . . . and if we linger long enough . . . we're children once again.

MAGNOLIA BARREIROS
EVANGELISTA

This year the Senior Student Council is sponsoring a Brazilian child, Magnolia Barreiros Evangelista, through the Christian Children's Fund at an expense of $12.00 per month. She is ten years old and lives in a Family Helper Project Home because of her family's financial situation. Hopefully, future Student Council will continue this sponsorship.

MRS. RUTH KOEHLER

1965

1968

1971

Many of the members of the class of '72 were fortunate enough to have Mrs. Koehler as a teacher in 1963 in 3rd grade. The following two years she taught art for grades 7-12, and for the last six years she has been teaching art and art appreciation to the elementary students. Besides this she is in charge of the art decorations in the primary building and the elementary wing, the office decorations in the same, and the annual elementary poppy poster concert.

Before beginning her career as a teacher, she attended the Rochester Institute of Technology, Brockport University, Syracuse University, and the American School of Design in New York City.

Mrs. K., we're going to miss you.
