Assistant Principals: Renee Williams and Sam Ramirez
Mascot: Dolphin
Colors: Blue, Silver and White

Woodmoor Elementary School staff are a proud community of over 135 members working collaboratively to serve over 800 students through programs including K-5 general education, special education, functional skills and academics (FSA), advanced placement (EAP) and a parent co-op program (PACE). These diverse groups blend into a rich learning community.

Woodmoor teachers are known for being learners, constantly working to improve instruction. Leadership is provided through our Shared Decision-Making Leadership Team, professional development on early-release Wednesdays, and through voluntary instructional team meetings to build knowledge of content and teaching practices.

In addition, we understand that attention to the whole child helps build a high-performing school. Staff support positive attitudes and interactions by using common language – SWIM (Show respect, Work hard, Include everyone, Make safe choices). This common language fosters a consistent message about our school-wide expectations and allows us to support students’ social and emotional growth.

Ebony Harvey, Principal

Mission Statement: *The Woodmoor School Community provides a safe, caring environment where diversity, self-worth and acceptance are celebrated. We will empower and challenge one another to become lifelong learners in an interdependent world.*

Assessments

Northshore School District administers Smarter Balanced Assessments (SBA) in English/Language Arts (ELA) and math in grades 3, 4, 5, 6, 7, 8 and 10; and the Washington Comprehensive Assessments of Science (WCAS) in grades 5, 8, and 11 to students annually in compliance with state and federal laws.

Community Involvement

We value the extremely strong support of our parents, alumni and community members. Volunteer opportunities, both inside and outside of the classroom are available and our PTA/PTSAs support all of our co-curricular programs.

Contact the school for information on volunteer or PTA/PTSA opportunities.

Our school facilities are available for community use at 425.408.7810.

School Strategic Action Plan

At Woodmoor our mission is to foster the intellectual and social/emotional growth of our students. We will work to develop the students' skills in reading, writing, and mathematics; help students to apply these skills in the analysis and use of information to reason, think, and create; and we will also guide our students toward developing a feeling of self worth, good character and citizenship, pride in their work, along with a respect for others and an awareness of the diversity found in schools and society.

Each year, we review our student data and identify goals that guide the work we do to ensure each of our students learns at high levels and, ultimately, is prepared for success in career, college, and life.

Our goals for the 2018-19 school year and their related measures for success are listed below. These goals and measures are aligned with Northshore's Strategic Plan.

GOAL 2: Responsible, Resilient, Empathetic Learners

Increased percentage of students who feel safe, have a sense of belonging and personally meaningful friendships, and believe that their school is vibrant and inclusive, with rules that are fair and equitable.

Between September 2018 and June of 2019, the percentage of Woodmoor students, grades K-5, feeling connected to school, teachers and friends, will increase from an average of 86% to an average of 90% as measured by the fall and spring student climate surveys.

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in Woodmoor's classrooms and throughout all learning environments. These strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning.

GOAL 3: Growth for Every Student, Elimination of Outcome & Opportunity Gaps

Increased percentage of students meeting standards in core subjects (MATH)

Between September 2018 and April of 2019, the percentage of Woodmoor students, grades K-5, proficiency in math will increase by 5% as measured by the fall and spring District Math Pilot.

Facilities

Woodmoor's beautiful facilities were built in 1992 and were designed to serve our diverse community. School staff have committed to housing at least one special education classroom in each of the six pods, alongside general education classrooms. A spacious gym, library and two music rooms are located in the main building. Hallways have been designed to meet the mobility needs of our students with special needs. Speech and language therapy rooms, occupational and physical therapy rooms and a swimming pool for therapy classes support our students in this unique school. Our facility encourages parent involvement and provides the continuing quality educational experience that is the hallmark of the Northshore School District.
