Good evening all,
This email serves as an official FOIA request pursuant to SC 30-4-30(D)
(4) "all documents produced by the public body or its agent that were distributed to or reviewed by a member of the public body during a public meeting for the preceding six-month period."

Please email, to my address above, the following documents sent to board member(s) and/or reviewed by, for immediate inspection.
1. Notice to media of the June 2, 2023 "emergency" board meeting
2. Email issued to Carlton Dallas notifying him of the June 2, 2023 meeting. Including Sender, and date and time stamp, and body of email.

I am requesting this material from Chairwoman Gwozdz and Mr. Carlton Dallas.

Mr Dallas has failed to provide me with information over the course of the last 72 hours and he is in violation of the statute.

The timeline to provide me with all of the requested documents I am seeking, is before 9a.m. June 12, 2023 in order to be in compliance with the request. None of the information I am seeking, is available on the district website as of the 8me and date of this email.

This email fulfills my requirements under the statute to file a FOIA request, to inspect documents issued to the board, within the last 6 months.

The list of documents are requested from several elected officials, and are not subject to fees. Elected officials are not required to pay fees for any requests.

Dr Bruder is copied on this email as a courtesy to her.

Thank you.
David Cook
