
WCSD x RTC Youth Ride Free

Vaughn MS - Nearby Bus Stops and Routes

All WCSD students may now ride Regional Transportation Commission (RTC) buses for free! The RTC Youth Pass program provides free, year round transportation to WCSD students.

Students may use their Youth Passes to travel to work, school, free meal programs, libraries, and events throughout the area. Any place RTC serves throughout the community is a place students can access. Students can enroll by providing the information from their WCSD student ID. Twenty-four hours after enrolling, they will be able to ride any RTC bus for free by using their smartphone or paper passes, which will be provided upon request.

See the map above for a quick reference of nearby RTC routes and stop locations! For more information, scan the QR code or follow the URL!
