Seniors, it's time to start applying to college. Official transcripts need to be sent along with the application and ACT scores. To submit official transcripts you must create an account at parchment.com. Admission to select universities can oftentimes be easier if you get your application in early so don't put it off any longer.

Homecoming Court applications are now available in Ms. Richey's classroom, room 264. If you're a senior who is interested in being in the running for homecoming court elections, please get a form! This is a different process from previous years. You will need to fill out an application and get it endorsed by two teachers and an administrator in order to be on the ballot for homecoming court elections. Filling out an application does not guarantee that you will be elected on the homecoming court, but it will ensure that you are on the ballot for voting! If you have any questions, feel free to contact Ms. Richey! Forms are due to Ms. Richey in room 264 by the end of the school day on September 4th!

Attention all students! Do you love acting, directing, behind the scenes, costumes, improv, or just geeking out over plays, musicals, television, and movies? Then the International Thespian Society is the place for you! Join us for our first meeting on Thursday, September 4th right after school in the PAC. We'll be talking about upcoming shows, leadership roles, and ways to get involved. Everyone is welcome—whether you're a seasoned performer or just a fan of the spotlight, come hang out, meet fellow entertainment lovers, and see

what we're all about! Email Amy.Penell@gcsd9.net with any questions. We can't wait to see you there!

"Hey Warriors, it's officially time to start the recycling competitions. This fall all warrior time classrooms will compete in collecting soda tabs. Whichever class collects the most soda tabs will receive a prize and traveling trophy for their warrior time. Don't have a collection can in your classroom, stop by 104 and grab one."

"Did you know plastic bags cannot be recycled and there are too many that get sent to landfills or lost in our waterways. Science club is here to save the day! We have partnered with a company to properly get rid of those pesky plastic bags all year long. Save your plastic bags and bring them to a staff member to be put in our school plastic bag bins. Our school is in competition with other schools in the area so bring in those bags Warriors!"

"Science club members, please check google classroom and complete all the info listed so we can get started on all our plans for the year. Want to join science club- stop by room 104 or 119 for more info."
