From our Principal,
Mrs. Felicia Boudreaux…

Our partners, First Christian Church, have graciously offered to help with turkeys for this coming Thanksgiving. **If you would like to be on this list, please email us at mark.twain@d11.org by no later than Nov. 4th.**

The members of First Christian Church are the ones who provided the Welcome Back Breakfast for parents that we had on the first day of school. They also help teachers with supplies to the classroom. We are grateful for their contributions to Twain.

School Counselor Introduction

Dear Parents/Guardians of Twain Elementary,

My name is Logan Laszczyk. I am the new school counselor at Twain Elementary School. I am excited to be a Twain Tiger!

This is my fifth year as an elementary school counselor. I have also worked at the middle school and high school level also.

What Does a School Counselor Do?

My job is to work with students, teachers, our school leaders, and families to support students by helping them build the academic, behavior, and social skills that will help them make excellent choices and lead to their success both at school and in other areas of their life.

School Counselor continued…

Some things I will be doing include:

- Helping students recognize their emotions and how to manage them
- Learning how to speak with a teacher to ask for help in a successful way
- Model and help teach about responsibility, caring, courage, respect, and including others to develop students social and emotional skills
- Assist students that are struggling with behaviors
- Run small groups for students that need that little "extra." These groups may involve practicing friendship skills, working through sadness, understanding how to handle worries and anxieties.
- Be a positive example to students on behavior and assist teachers when students are struggling.

I look forward to meeting with you and working with your student(s)

Sincerely,
Mr. Logan Laszczyk (Mr. Logan or Mr. L)
Twain Elementary School Counselor
