2020-21 Phase One: Continuous Improvement Diagnostic for Schools

. The **Comprehensive School Improvement Plan or CSIP** is defined as a *plan developed by the school council, or successor, and charter schools with the input of parents, faculty, and staff, based on a review of relevant data that includes targets, strategies, activities, and a time schedule to support student achievement and student growth, and to eliminate gaps among groups of students.*

The comprehensive school and district improvement plan process is outlined in 703 KAR 5:225. The requirements included in the administrative regulation are key components of the continuous improvement process in Kentucky and ultimately fulfillment of school, district, and state goals under the Kentucky State Plan as required by the Every Student Succeeds Act (ESSA).

While the regulation outlines a timeline for compliance purposes, the plan itself is a strategic and proven approach to improve processes and to ensure students achieve. The timeline for the school's 2020-21 diagnostics is as follows:

Phase One: August 1 - October 1
• Continuous Improvement Diagnostic for Schools

Phase Two: October 1 - November 1
• The Needs Assessment for Schools
• School Assurances
• School Safety Report

Phase Three: November 1 - January 1
• Comprehensive School Improvement Plan
• Executive Summary for Schools
• Closing the Achievement Gap Diagnostic for Schools
• Professional Development Plan for Schools

Phase Four: January 1 - December 31
• Progress Monitoring

As principal of the school, I hereby commit to implementing continuous improvement processes with fidelity to support student achievement and student growth and to eliminate achievement gaps among groups of students.
