Center Grove Offers Superintendent New Contract

GREENWOOD, IN (May 19, 2017) – The Center Grove Community School Corporation (CGCSC) Board of School Trustees has offered Dr. Rich Arkanoff, superintendent, a new contract. The contract was considered during a public hearing on May 18, 2017. The Board will vote on the contract at its June meeting.

The new contract would bring the superintendent's contract in line with other district administrators. The contract does not include a base salary increase. It would increase the superintendent's workdays from 229 days a year to 260. It would also move the superintendent to the same Statement of Benefits as other administrators and make him eligible for the same pay increases and stipends provided to other administrators. The contract would provide for an increase in the amount of 403B contributions by approximately $7,000. The Board also included an option to authorize future increases to the superintendent's term life policy and to his 403B contribution by up to $2,500 per year. These changes would bring the superintendent's contract closer to those of superintendents of peer schools.

"The Board is pleased to extend Dr. Arkanoff's contract," said Jack Russell, CGCSC Board president. "We look forward to continuing the Board's positive working relationship with the superintendent."

"I am honored to be part of the Center Grove community and have the opportunity to continue serving the students, staff, and families in our great school district," said Dr. Rich Arkanoff, superintendent. "I'm humbled by the confidence the school board has in my leadership and appreciative of their continued support and dedication to the future of our school district."
