COMMUNICATIONS & COMMUNITY INVOLVEMENT

Communications

Clear, concise, and consistent communication is our goal. We share information through SMORE newsletters, as well as through our website, social media, and student agendas. Our teachers make positive phone calls to student homes weekly and we encourage families to use the F1S app. Open houses, conferences, and parent events are also utilized to promote positive relations.

Community Involvement

We're fortunate to have an active Association of Parents and Teachers (APT) and an engaged School Improvement Council, along with Title I committees. Our APT hosts an annual fall fundraiser to assist with materials and equipment for our school. Additionally, we have faith-based mentors who volunteer to work with our students after school.
We take part in a variety of community service projects, including Food Drives, Jump Rope for Heart, and Pennies for Pasta.

SAFETY

The safety of our students is a top priority. The doors to our school remain locked at all times. We operate an automated check-in system for visitors and utilize a call-back system in every classroom. In addition to interior and exterior cameras across our campus, we have a School Safety Team and two, full-time nurses.

93%
of parents indicate their children feel safe at school

100%
of teachers feel safe at school before and after hours
