FRESHMAN ROADMAP

Fall

INFINITE CAMPUS AND EDGENUITY

Learn how to access Infinite Campus and Edgenuity (parents and students). Contact the Main Office 775-353-6900 for password resets.

Attendance

Regular attendance is a major key to academic success. Students have difficulty keeping up in their classes
when they miss doing daily lessons. North Star does weekly attendance.

How to meet attendance:

1. Attend one virtual advisory meeting each week (camera on).
2. Do one graded assignment in each class (minimum of 6) by Tuesday night before you go to bed.
3. If a graded assignment is not done by Tuesday evening, automatic attendance calls will be sent to parents/guardians.
4. Must complete a graded assignment in each class by 11:59pm on Friday to avoid being marked absent for a class for a full 5 days.
5. Clock resets for attendance for the following week at midnight on Saturday.
6. Please note making attendance does not meet progress requirements.

Progress: Stay on Track

- Spend 1 hour in each class daily (approx 6 hrs/day).
- Use course map for each class in Edgenuity for daily assignments.
- Keep a daily consistent schedule (just like being in school)
- Take short breaks between classes to avoid fatigue
- Keep a clean and consistent work space
- Use the weekend to catch up as needed

WCSD COLLEGE FAIR

This will be held on Sunday, October 19, 2025 from 11:00am-2:00pm at the Reno-Sparks Convention Center, located at 4590 S. Virginia Street. This is an opportunity to meet college representatives as well as attend seminars on a variety of topics, including financial aid and scholarships, first generation students, and much more. Register at bit.ly/4lAo4GE

Spring

PLAN FOR SOPHOMORE YEAR

Participate in the course registration process with your North Star Counselor as well as consult with your family about course request decisions. Review the North Star Course Options Document.

PLAN FOR THE FUTURE

Have a family discussion about what your initial thoughts are for life after high school. Do you think you will go to college, trade school, military service, or the world of work? Is there a college savings account or a plan to finance your educational pursuits after high school? Talk with family and friends about potential career ideas, while considering your interests and strengths.

Summer

CAREER EXPLORATION

Completing one or more of these can help students align their interests and goals
to potential career options in the future.
