NORTH SPRINGS HS FEEDER SCHOOLS

Investing in the future, one penny at a time.

Fulton County Schools SPLOST

Capital programs provide the resources our students and staff use every day including the school buses our students ride, the construction and renovations of our school learning environments, the technology and equipment used for learning and teaching, safety enhancements that protect our students, the fields our students play on, and even the furniture students and staff sit on each day.

THANK YOU!

Fulton County voters approved an extension of the one-penny sales tax on May 24, 2016.

Fulton County Schools SPLOST

North/South STEM Focused Campuses/Centers

- Will provide opportunities for students to take their core academic courses at these campuses, while also participating in an enriching STEM based experience

Technology

We believe that each student is unique and that technology extends the capabilities and reach of teachers so that learning is personalized for their individual needs. In the next capital plan, schools will experience modern, mobile systems that will give them more capabilities to harness the full power of their classroom technology. Examples include:

- Interactive classroom technology
- Mobile learning devices
- Online digital curriculum and content
- Instructional technology professional development
- Information security and safety
- Network infrastructure and technology support
- Virtual and blended learning

Furniture and Equipment

- Purchase and install furniture and equipment to enhance and/or refresh items located at existing schools and new construction as needed
- Support options for flexible classroom furniture as replacement needs occur

Capital Seed Fund

- Support minor capital projects to implement programmatic innovations by local schools

Safety and Security

- Security camera upgrades
- Wireless communications upgrades
- Visitor and volunteer management system/ access control improvements
- Equipment and vehicles for emergency response personnel

Transportation

- School bus vehicle replacement
- Support fleet vehicle replacement
- Fleet shop maintenance equipment replacement
- Bus passenger safety enhancements
- Automated fuel management system
