Students will complete & submit a scheduling card in Biology on Friday, **January 16th**.

All cards will be turned in that day. Please make sure you discuss course selections with your student prior to this date!

Thank you in advance for your attention in reviewing and discussing these courses with your student to make sure he/she is prepared to complete their scheduling card upon return to school.

Questions? Please contact Ms. Humes at ritt_jhumes@tccsa.net or (330) 927-7144.

THANK YOU!

Please initial the following policies and sign below:

____ I understand that I am approving the circled courses and will have the opportunity to review a printout of all courses selected sometime in April. I must review this course listing and verify that all the correct courses are listed. Any changes must be made at this time.

____ I understand that if I fail any courses required for graduation during the current school year that my requested courses will be subject to change by guidance to make room in my schedule to retake the course(s) to make up the failed credit.

____ I understand that if I am an athlete, I need to be taking at least 5 classes and passing them all with a 1.0 nine weeks GPA in order to be eligible. I also understand that physical education does not count towards these 5 classes as it is only worth 0.25 credits per semester.

____ **I understand that the last day to make any changes on schedules for the 2026-2027 school year is May 29, 2026.**
