

FORMING FAITH-FILLED LEADERS

SERVITE
HIGH SCHOOL

**AT SERVITE,
BOYS BECOME
THE MEN GOD
IS CALLING
THEM TO BE.**

At Servite, young men journey together in mind, body, and spirit to become Faith-Filled Leaders. Guided by dedicated faculty and staff who are trained in the education of young men, our students are challenged to develop their talents and interests to prepare them for college, career, and life. Not every student enters Servite with a brother, but every Servite student becomes a member of a lifelong brotherhood, connected by their shared experiences inside and outside the classroom.

Servite is committed to developing young men through:

- › **College Preparatory Academic Curriculum**
- › **Unique Formation and Leadership Opportunities**
- › **Competitive Athletics**
- › **Comprehensive Extracurricular Offerings**

Over the course of four years,
THE SERVITE BROTHERHOOD IS FORGED,
connected for life by their shared challenges and experiences inside and outside the classroom.

ENGAGE YOUR MIND

Servite offers a comprehensive college preparatory curriculum that is tailored to the unique learning styles of young men. Our academic programs are designed to ensure that each student is intellectually challenged. Our experienced and innovative faculty foster learning environments that actively engage students in their own education and develop the critical-thinking skills necessary for success after high school. Numerous Honors and Advanced Placement courses are offered for those students who seek even more rigorous academics.

For most students, high school is a time of rapid personal change and development. Our Counseling department is designed to help students successfully meet the challenges that may arise during these years. Throughout a student's journey at Servite, our knowledgeable Counseling staff provides guidance and advice, makes recommendations and suggestions and, above all, informs our students and their families of the many opportunities available to them.

EXPERIENCE THE ALL-BOYS DIFFERENCE

As an all-boys Catholic high school, Servite creates an experience like no other school in Orange County. For more than 60 years, we have been dedicated to educating young men. We understand them and we know how they learn. Numerous studies have shown that boys and girls learn differently and that boys mature at a rate that is different from girls; as a result, they have different needs, learning styles, and approaches to life. A Servite education recognizes these differences and celebrates them.

The benefits of Servite's all-boys education includes:

- › **Greater Self Discovery:** Servite creates a safe, welcoming environment where boys are encouraged to take chances, explore a variety of interests, freely express their emotions and perspectives, and deepen their faith.
- › **Focused Curriculum:** As an all-boys school, we can focus on topics that interest boys and teach in ways that promote a diverse and well-rounded educational experience. This will give boys the tools they need to succeed in the classroom and beyond. Our teachers understand how the brains of adolescent males function and how to effectively work with them.
- › **Encouraged Exploration:** Servite students have opportunities they might not have in a co-ed school. In an all-male environment, boys are more likely to pursue their interests in art, music, drama, and foreign languages. Our setting, free of social pressures and anxieties, keeps our students engaged and allows them to work outside their comfort zones and try new things.

- › **Lifelong Brotherhood:** Servite students build friendships that extend beyond the classroom, field, or theater. We create a culture of belonging and a sense of understanding that each brother is part of something much larger than themselves. To be part of the Servite family is to be supported throughout life by a unique bond that will never be broken.

While there are significant advantages to an all-boys education, Servite students don't need to worry about interacting with girls, as the opportunities to do so are plentiful. In partnership with our sister school Rosary Academy, we offer numerous co-ed activities including theatre, dances, programs, and athletics.

Servite nurtures the faith and gifts of each of our students, resulting in a **POWERFUL TRANSFORMATION** from freshman year to graduation and beyond.

Formation Program:

In 2005, Servite debuted the nation's first comprehensive four-year Formation Program designed to transform boys into the men God calls them to be.

The program weaves academics, athletics, activities, and spirituality in a seamless experience that provides a foundation for success.

Every member of the Servite Community is responsible for the formation of our students, including faculty, staff, coaches, and counselors.

BECOME A FAITH-FILLED LEADER, FOR LIFE

Servite is more than a school – it's a place where young men are shaped into Faith-Filled Leaders with knowledge, wisdom, and character.

We encourage boys to become men by teaching them discipline, holding them accountable, and challenging them to be great in everything they do.

Formation themes:

- › **Primacy of Faith**
- › **Mastery of Self**
- › **Necessity of the Other**
- › **Centrality of Christ**

JOIN THE COMMUNITY

Servite nurtures a culture of community where each student feels welcomed and included.

Through athletics, Priority leadership, and group projects, our students combine different talents and skills to make a stronger whole.

We challenge students to connect and contribute through service, with each student completing 100 hours of community service prior to graduation. By serving others, our students learn the virtues of compassion and humility. They also gain confidence in knowing that they have the power to make a difference and that, as Faith-Filled Leaders, they should go forth into the world and not only do well, but also do good.

“Servite High School has molded me and others into men that will lead our world in the future. Through the Brotherhood, Servite provides students with an outlet for creativity and a place to grow as a student, athlete, and leader. **I LOVE SERVITE** for the opportunities I have been given to grow in my studies, faith, and leadership.”

– Ryan Bass '21

DISCOVER AND EXPLORE YOUR PASSION

The Servite experience spans across every area of a student's life to help him become a well-rounded, service-oriented man who is prepared for life's next chapter. This includes involvement in arts, clubs, and Servite's expansive co-curricular programs. While pursuing personal interests, students are also building relationships, developing skills, and becoming the best version of themselves.

“Sending our boys to Servite was one of the best decisions we have made for our sons' education and faith formation. They are both thriving at school and on their teams. There truly is something for everyone at Servite! The administration, faculty, and staff are authentic and are driven to the same goal which is to form **FAITH-FILLED LEADERS!** Credo!”

– Cathy Pasquinelli, Thomas '21, Nicholas '22

Servite's extensive extracurricular clubs, societies, and activities include:

- › **Academics:** Speech and Debate, Academic Decathlon, Junior State of America, Mock Trial, California Scholarship Federation, STEM
- › **Languages:** Spanish
- › **Leadership and Service:** Priory Leadership, Her Servants' Closet, Red Cross, We Rise Together
- › **Arts:** Trinitas Arts Conservatory, choir, performance ensembles, music, worship band, classical guitar, film, International Thespian Society, Sacred Music
- › **Additional Opportunities:** Chessmen, Table Tennis, Spike Ball, Robotics, Investment, Servite ESports
and many more.

JOIN OUR WORLD-CLASS ROBOTICS PROGRAM

Students who join the Servite Friarbots gain hands-on experience and have the opportunity to compete in VEX, FIRST Robotics Competition (FRC), and other events.

As part of Servite's robotics program students learn and experience:

- › Advanced CAD knowledge (Auto CAD + Inventor) for designing and building/fabricating functional robotics.
- › Programming knowledge to connect and communicate with their robots for maximum performance.
- › Competing allows students to work as a team and learn from others while gaining valuable experience in engineering, fabrication, mechanics, testing, and much more.
- › Mentorship connects Servite students to experienced robotics professionals.
- › Student-teachers are created as we encourage veteran robotics students to lead in the education of first-year students. This builds leadership, communication and deepens their sense of brotherhood.
- › Team 3309 is comprised of 14 different committees in charge of the various aspects of the team's function, including public relations, design, build, programming, and project management. To learn more visit team3309.org.

NURTURE YOUR INDIVIDUAL TALENTS

Our award-winning, co-ed theatre program, Trinitas Arts Conservatory, allows students of all grade levels to explore every area of theatre. Our process-oriented training gives them a deeper understanding of each role and responsibility of the theatre, which leads to greater skills and mutual respect. The Conservatory presents weekly classes in addition to three main-stage shows each year in Servite's on-campus 1,000-seat state-of-the-art theater. We have built a legacy of performances of high-production value that includes:

- › Acting Classes
- › Technical Theatre
- › Musical Theatre
- › Lighting/Sound
- › Dance
- › Comedy Sportz
- › Makeup/Costume
- › Stage Design/Management

BECOME A STRONGER MAN AND TEAMMATE

Servite competes in 13 CIF sports in the Trinity League, which is among the toughest and most prestigious leagues in the nation. Every student has the opportunity to participate through multiple non-cut sports and team levels such as freshman, junior varsity, varsity and two club sports. Over 80% of students participate throughout the course of their time at Servite and most play multiple sports.

Skilled coaches develop Servite students as confident men and well-rounded scholar-athletes. They are further supported by experienced strength and conditioning coaching, certified athletic trainers, an updated sports medicine center, top-notch team doctors, outstanding facilities, and much more.

Servite's athletic opportunities include:

- › Baseball, Basketball, Cross Country, Football, Golf, Hockey, Lacrosse, Rugby, Soccer, Swim, Tennis, Track & Field, Volleyball, Water Polo, and Wrestling.

“Being at Servite has provided me with great teachers, a **FAMILY-TYPE ATMOSPHERE**—and has laid the groundwork for my success after high school.”

– Tetairoa McMillan '22 (pictured right)

GAIN LIFELONG MEMORIES, FRIENDS, AND FAITH

Servite's focus on helping young men become kind, well-rounded individuals extends beyond our campus and into their daily lives. We believe in building a strong sense of belonging and an unbreakable support system no matter what. From activities in the quad to campus ministries, students are given opportunities to learn about themselves while learning about others as well.

While we work to challenge students to reach their fullest potential, we also encourage camaraderie through fun, friendship-building activities like balloon toss, dunk tank, and pie-eating contests. From the classroom to commons areas, the field to the theater, the Servite brotherhood can be seen and felt across our community.

“It was one of the **BEST DECISIONS** he made in his young adult life and we are glad to have supported his journey. There are no words to describe the experience. The true testament of this school is in the graduates you run across in life's journeys. You will always know a Servite man when you meet him.”

– Michelle Denice Clancy, Connor '16/U.S. Air Force Academy '20
