Dear Manhasset Families,

The Manhasset School District has been notified of the following positive COVID-19 case.

Shelter Rock:

1. One (1) grade K student, last day in school was Tuesday, 4/12/2022

Our priority remains the health and safety of our students and staff. As indicated in the March 1, 2022 Department of Health's updated guidance and FAQ documents, individuals who are potentially exposed are no longer required to quarantine. However, it is recommended that exposed individuals consider wearing a mask in school and in indoor public spaces for 10 days after exposure. Please continue to monitor your symptoms and maintain proper hand hygiene.

Thank you.
