MOTTO **Where students SOAR!**

S – SELF Control
O – Stay ON Track
A – Complete Work with a Great ATTITUDE
R – Always be RESPECTFUL

NOTEWORTHY

Project Lead the Way
PLTW curriculum immerses our students in hands-on activities, projects, and problems reflective of today's real-world challenges. This unique approach exposes students to new areas of interest, passions, and potential career pathways.

Healthy School; Healthier Generations
Because of our commitment to teaching our students healthy habits, we received Bronze recognition from the Alliance for Healthier Generations, and we continue to use their standards as a guide for classroom parties, treats, and grade-level bake sales.

ACADEMIC EXCELLENCE

Electives
Art ▪ Band ▪ Music ▪ Physical Education ▪ Strings

COMMUNICATIONS & COMMUNITY INVOLVEMENT

Communications

We share information with families on a weekly basis through our GES email newsletter. We also communicate via Blackboard, PowerSchool, and Parent/Teacher conferences.

We keep our website up to date, as well as our Facebook page, and we encourage family members to download the F1S app for regular notifications and important messages.

Community Involvement

Greenwood Elementary celebrates an active Association of Parents and Teachers, a School Improvement Council, and a Title I Council.

We offer: Grits for Grandparents, Pastries for Parents, and an annual Volunteer Brunch, as well as Share Your Dad Day, Literacy Night at the Museum, Family Math Night, and STEAM Night.

We support: Golden K Kiwanis' RIF Program, Rotary Club Dictionary Program, and take part in a variety of service projects, including Wreaths Across America, food drives, and hat/mitten/sock drives.

SAFETY

Student safety is a top priority. Our doors are locked at all times, and visitors are required to check in at the main office upon entrance. Classroom visits are by appointment only, and chaperones and volunteers must complete annual background checks.

We have campus-wide digital security cameras, an Emergency Alert System, and a Gaggle Digital Safety System.

91.9%
of students indicate they feel safe at school

100%
of teachers feel safe at school before and after hours
