BOE Agenda Item Executive Summary
May 24, 2021

Topic: Savvas Learning Company, Cengage Learning, and Bedford Freeman & Worth – Secondary Math Curricular Resources

Background Information: During the 2017-2018 school year, our Kansas State Standards for Mathematics were updated. Since that time, we have adopted curricular resources for middle and high school core courses. For our advanced courses at the high school level, a committee of Mathematics Educators in WPS reviewed current resources available for purchase that will align with our updated standards. This committee recommended our district purchase the following materials to support our Algebra 3, Precalculus/Trigonometry, and AP Statistics courses.

Resources Include:
Course: Algebra 3
Company: Savvas Learning Company

- 1 Teacher Edition – one-time purchase
- Student textbooks – one-time purchase
- **Recommendation:** Purchase not to exceed $31,000 (Quote: $21,502.19)

Course: Precalculus/Trigonometry
Company: Cengage Learning

- 1 Teacher Edition – one-time purchase
- 1 Teacher Resource Account – access for 6 years
- Student textbooks – one-time purchase
  Recommendation: Purchase not to exceed $200,000 (Quote: $189,094.50)

Course: AP Statistics
Company: Bedford Freeman & Worth

- 1 Teacher Edition – one-time purchase
- 1 Teacher Resource Account – access for 6 years
- Student textbooks – one-time purchase
- **Recommendation:** Purchase not to exceed $90,000 (Quote: $77,442.48)
