BOE Agenda Item Executive Summary
May 24, 2021

Topic: Music is Elementary, K-5 Music Curricular Resources

Background Information: In 2014, National Core Arts Standards were developed. Our Kansas State Standards were updated in 2015, referencing the National Standards. A committee of Music Educators in WPS have worked to review current resources available for purchase that will align with our updated standards. This committee recommended our district purchase "Music is Elementary" to support Elementary K-5 Staff in planning for standards-referenced learning.

Resources Include:
Teacher Instructional Planning Materials for Grades K-5. Each teacher will receive the following items:

- Four Teacher Editions, which include lessons aligned by musical concepts and standards.
- Four downloadable files, which include interactive materials to use in the classroom.

These are one-time purchases.

Recommendation: Purchase not to exceed $90,000 (Quote: $76,567.80)
