BOE Agenda Item Executive Summary
Date: December 12, 2022

Topic: Student Tuition and Travel – Due Process Settlement

Background Information: Parent of exceptional student disagreed with the IEP developed for the student. Parent took the matter to hearing where the due process hearing officer made findings and required the district to pay certain amounts in favor of the parent. The hearing officer ordered that the district pay the tuition for the student's continued attendance at the private school placement until the student turns 21 or leaves the facility, and that the district pay reasonable expenses for three family visits per year until the student turns 21 or leaves the facility.
